Letter from Commodore Heidi Koch

Wow!!! July certainly flew by, but it was a great month. We had an excellent turnout on the Fourth of July for Fourth on the Shore. Thank you to everyone who attended and helped out. Paula Feest did a phenomenal job of heading up the committee and keeping everything running smoothly. She really kept everyone/everything organized from attending city meetings, to advertising, arranging the beer & other beverages, working with the vendors, and much much more! Make sure to thank her for all her hard work when you see her!

There were an impressive amount of volunteers including Keith Laurent (took care of the electrical with help from Bill Nichols and picking up, dropping off and donating the cost of bar tables from the AmVets), Tracy Virnoche (took care of tents/staging and set-up, attended meetings with the city, arranged the bands), Tom Spears (helping with the can coolers and having a clothing sale during the day), Ed Hansen (handling all the cash, picking up the soda/water and taking inventory of things left from past events) Jim Kocian & Maureen Shebesta for keeping everything on the up & up inside the club, and Bob Michaels, Dave Schmidt, Ryan Koch helped with getting all the ice (donated by Manitowoc Ice). Thank you to everyone who borrowed us coolers! Thank you to Karl Birkenstock for having the Late's BBQ food truck on-site. As well as Dan Luisier who helped me out with

the water temperature when things became just a little too hot – thanks Dan!!

Thank you to everyone else who was there to assist with setting up, bartending, cleaning up and taking care of any task as they came up throughout the day, we would never be able to pull off such a successful event with the help of the membership! It's a great thing when we have so many committed members who are willing to give up a holiday and help out the club! I hope everyone had an enjoyable time! The patio has been being used quite often in the past month. Please only take plastic cups outside. We have 16 ounce cups behind the bar which is equal to a pint of beer or a double mixer, please charge yourself accordingly. Canned beer is fine for outside too. While you are out on the patio be sure to check out the new awnings, they look fantastic. Dick Kornely and Dave

Franz came up with a solution to keep the birds from making nests under the awnings. Thanks guys! I recently re-stocked the freezer (across from the walk-in) with pizzas in case anyone is hanging out at the club and would like a quick something to eat. They are \$5 each; please use the pizza oven to make them and remember to clean-up after yourselves. Next week (August 13) we are going to test out free live music during Thirsty Thursday featuring members Pete Honzik and Tom Sobel along with their band members. Feel free to bring guests. Thirsty Thursdays are always a good time so if we throw in some live music, it should be even better! I'm thrilled that members are coming up with new ideas to utilize the club-please take advantage of this great idea! Also, we are looking for two-three apprentices to help out for two hours, please.

I am the sponsor for the August Steak Night; any volunteers would be highly appreciated. Either give me a call or send an email if interested. We will start prepping at 3pm.

Lastly, we REALLY need to fill the Brewer Bus on Saturday, August 29. This event is a fantastic deal and a lot of fun. Please sign-up ASAP & bring your friends!!

Committee News

House Committee

Jim Kocian, Chairman

As of July 31st we are 172 diners behind last year.

Some friendly reminders I noticed some people behind the bar on Friday, July 24th mixing their own drinks. When we have paid bartenders NO ONE is allowed behind the bar unless authorized. When working in the galley if you do not know where something goes, just leave it on the counter. We can place it in the area it is suppose to be. If you have a party and there is left-over food, please take it with you. We do not have the room to store leftover food.

If you are the last person leaving the club at night, please make sure all the lights are off, along with the TV's.

Thank you to all who come down to support our club.

If you have any questions or concerns, please contact me at 905-1650.

Paula Feest, Chairman

On the Fourth of July, 2015, the Manitowoc Yacht Club hosted Fourth on the Shore. If you attended the event, you might have noticed all the volunteers who were helping in a variety of capacities. I would just like to take this opportunity to say "thank you."

Planning and executing any special event takes a great deal of preparation and execution to be successful. The volunteers came to the club, eager to help, the Friday before, the day of, as well as, the day after. They came organized, enthusiastic and ready to go to work. This year there were well over 35 volunteers who did an absolutely fantastic job. I think it's safe to say we probably could not conduct the event without their help.

We had a very successful event. The weather was warm, the beer was cold, the music was loud and the attendance was grand. Thank you to all the members who supported the event by coming to the club to help celebrate Independence Day.

On a personal note, I have to share with the club a little part of my vacation this summer. I was able to sneak away recently for a well deserved vacation to Myrtle Beach, SC. We drove down and stopped at a few places along the way. One of the stops that I just have to share with you, Churchill Downs, where they hold the Kentucky Derby each year. For the one's that know me so well, you know how passionate I am about the

Derby. It truly was an experience.

August 29th is our Brewer Game. The cost is really reasonable when you consider what is included, beer, soda, water, food, ticket and your transportation to the game and back all for a mere \$55/person. This is open to members and guests. Please see the posting on the board. The bus was full last year and everyone had a great time. Looking forward to the event, so please consider signing up. It will be FUN!!!

See you at the club!!

It is a pretty nice variety of music played by local talented musicians. Their open mikes are actually open jam sessions for rock-oriented heads and fans of classic jams. It is the feel of the best kind of neighborhood garage or basement jam.
