Letter from Commodore Tim Hecker

Hello everyone!

I hope everyone is doing well so far this winter. I keep telling myself that each

day is one day closer to spring and just try to make the most of it.

A special thanks goes out to Vice Commodore Heidi Koch for taking about 6 hours out of her weekend to make up 590 new key cards for our members. We have been able to distribute quite a few of them already but still have plenty to go. Stop in if you see my car in the parking lot or possibly on Thirsty Thursdays or Friday dining. Please bring your old key in when you get your new key card. Our old system is being donated to the Chiefs Club and they would like as many of our old keys as possible.

January 25th is the apprentice orientation and is also a good time for the spouses or

significant others to come in and get their training behind the bar. If you can't make that, try to stop in on a Thursday when a few of our members get together for a little socializing.

February 8th is our Party Planner. If you have any parties or ideas for possibly having something down at the Club, please stop on down and we can get it on the calendar.

February 9th is the Swedish pancake breakfast which is always a big hit. A signup sheet is on the bulletin board. I hope a lot of you can make it. It is always a good time and great food.

Please be safe out there and we will talk to you later.

Commodore,

Tim Hecker

Committee News

House Committee

Jim Kocian, Chairman

What a start to the New Year; January 3rd snow and wind; January 10th rain which turned to ice. Those weather conditions are not favorable to be out and about. Not to be deterred our Friday night faithful gave us good nights of business.

I know one can get caught up in the camaraderie with family and friends and forget other diners are waiting to come into the dining room. I would like to remind you diners to remember to leave your table after your meal in a timely manner. Thank you for your cooperation. I would also like to remind everyone no hats in the dining room on Friday nights.

For your information; our 2013 Friday dining attendance came in at a total of 6,667 for an average of 136. Thank you to everyone who helped to have a successful year.

As always thanks for your support. If you have any questions or concerns, please contact me at 920.905.1650.

Key Cards

If a member would like the club to mail you the new key card(s) please send us the old metal key and include a **self addressed, self stamped (\$.70 stamp) envelope** to mail them the new key(s).

The return envelope must be labeled as "non machine" as the mail sorting machines will most likely break the cards.

Otherwise please attend any Membership Meeting throughout the year to pick up your new key(s).

Social Committee

Paula Feest, Chairman

We had our Party Planning meeting this past Saturday, 2/8. We have several events planned that are coming up real soon. A cribbage tournament, a chess tournament, Interclub Party at the Appleton Yacht Club, a Texas Hold'em party, a pool tournament, just to name a few. All events are posted on the calendar in the Waves and also posted at the Club. We have a very ambitious, engaging social committee, that is committed to the club, planning events encouraging members to come down to their club and enjoy what it has to offer. I'm real excited about the different events that are being planned for this year.

There are two simple words that can make your club membership more enjoyable. What are those two words? Get Involved! An easy and FUN way to get more involved in the MYC is to participate in these events. I promise, you will learn something you didn't know about your club and your fellow members, that will make your experience more enjoyable.

If you are interested in being a part of the social committee, you do not have to be nominated or elected to participate. Just show up at the club on the 3rd Tuesday of every month at 6:00 if you would like to join.

If you have any questions about how to get involved, or questions on any event, feel free to reach out to me at 920.686.4002, I will be happy to help. See you at the club!

Winter Parking

As a courtesy to our members with 'Disabled' tags, visible on their vehicles, the Board of Directors is asking able-bodied members to refrain from using the front row parking during the winter months – especially on Friday evenings.

Thank you for your cooperation and thank you for helping to keep the club safe for everyone.
