Letter from Commodore Dick Kornely

July marks the half-way point of my tenor as Commodore. I would like to report that things are going smoothly, with an outstanding response from members and hope to see the support continue through the next six months. This is our club and we can only be successful as a group.

Fourth on the Shore – The largest fund-raiser for the summer will be Fourth on the Shore. It would be appreciative if members support the club by attending and in addition to bringing family and friends.

There will be music by the Marine Band from 4-7pm and The Rod Scheuer Band from 7pm until the fireworks. Refreshments of beer, liquor, wine and soda will be available. Volunteers are still needed and a sign-up sheet is posted,

otherwise contact me at 920.973.3343. With this being such a large event for our club it is important to have great volunteers help out and make it a huge success.

As usual, there will be the Second Tuesday Steak Night. This is the only other fund-raiser for July, for there are a number of private parties scheduled for the month.

Member Update: There was an attempted break-in recently. The person tried using rocks to enter through a window. The brand new window of the Swan Rooms was severely scratched and a window in the bar room was broken. Thankfully they did not gain entrance into the club.

I would like to thank Manitowoc Glass for replacing the windows at cost and Steve McMahon for donating his labor.

I hope to see everyone at Fourth on the Shore!

THANKS, *Dick Kornely*

Committee News

House Committee

Jim Kocian, Chairman

Friday nights continue to be strong. Thanks to all who support the club, it helps pay the bills. I also want to thank our dedicated Thursday night veggie crew; Dick and Jeanne Metzger, Scott and Carol Wagner, Jerry and Wendy Krueger, Dave Johnson and Bill Marshburn.

Some friendly reminders; no hats in the dining room on Friday nights, clean up your table or party bar before going into dine. Your assistance is greatly appreciated.

If you have any questions or concerns, please contact me at 920.905.1650.

Friday Night Dining Thank You!

It's hard to believe that a week has already elapsed since we visited your club. I just want to say "Thank you!" for the hospitality you all extended to my wife Linda, my cousin Joanne, and myself.

We look forward to seeing you again at our own South Milwaukee Yacht Club, at the upcoming LMYA Rendezvous, or back at Manitowoc Yacht Club.

Hopefully on another Salmon Night.

*Best regards,
James D. "Jim" Rothschadl*

Social Committee

Ron Stokes, Chairman

The boat show was a qualified success, few boats, few people, few sales, few visitors, but a great day to be out and about. A bit disappointed in the support from our club members but some great brats and burgers were served. An adult beverage or two also! Thanks to the members who always walk the walk to lend a hand, chairman Jerry Hein, Tracy Virnoche, Dave Schmidt, Dean Duescher, Colin Rayford and Apprentice Peter Allie and other whom I might have forgotten.

Question: Do we want to continue with the Boat Show and Swap or disband it? Let us know by dropping a note to the Social Committee or attending our meeting the last Thursday of the month at 530pm. Some events on the horizon: a chess tournament, a sheep head tourney, a cribbage tourney and a Wiener Wednesday featuring wiener dog races in the White Swan Room! A joke to see if you read the newsletter!

We are still searching for members to sponsor a Brewer, Bucks or Gamblers bus. An overnight on the Badger, a river boat holiday in Germany, and sponsors for Steak Night Tuesday. We are gearing up for Sunday afternoon Packer games at the club as well as Badger tailgate parties. Thanks for your help and see you around the club!

Members of the Social Committee meet the last Thursday of the month at 530pm. All members are welcome! Hope you can join us for your ideas and suggestions!

2013 Fourth on the Shore

Thursday, July 4, 2013

At Fourth on the Shore you can enjoy a Parade downtown and city picnic from 12-4 pm. Then head to the lakeshore for a wonderful fireworks display at dusk. For up to date details visit: <http://www.manitowoc.org/>

Check out the club bulletin board for:

- Meeting Minutes
- New Member Applicants
- Event Sign-ups
- Snap Shots
- Steak Night Info
- Club Waiting List
- Plus much more!

This is a big event which the city would like to continue annually. We need 20-25 volunteers for over the course of the day beginning with set-up until after the fireworks. Tasks mostly revolve on running the Beer Garden - bartenders, bar runners, parking attendants, door people, etc. We could be tending to thousands of people. As always please have your Member ID card ready upon entrance to our parking lot. Please also note that the club itself will not be open to the public.

In order to have enough volunteers for this event and our family picnic, the board of directors have approved moving the family picnic to August 10, from 1-4pm with kid's games beginning at 2pm. \$10 per family, \$5 individual guests.

From the Board of Directors:

MANITOWOC YACHT CLUB

GENTLEMEN:

Please remove your hats when in the dining room

According to *The Emily Post Institute*, throughout history hats identified social standing and removing a hat was a gesture of respect. In today's casual culture men and women still remove their hats as a sign of respect. Here's when it's fine to wear your hat and when it's not:

MEN - Take hats off, including baseball caps...

- When the national anthem is played/when the flag of the United States passes by, as in a parade
- In restaurants and coffee shops
- At mealtimes, at the table
- In someone's home
- While being introduced, indoors or out
- In a house of worship, unless a hat or head covering is required
- Indoors at work, especially in an office (unless required for the job)
- In public buildings such as a school, library, courthouse, or town hall
- At a movie or any indoor performance

Individuals with medical conditions are exempt from the hat rule and may keep their hats on at all times if they wish.

Go Slow, Expect Delays, Says Boat Owners Group on Expected Heavy Boating Traffic for July 4th Holiday Week

The best seats for waterfront fireworks are from a boat, but boat owners will need to be cautious this holiday week.

Boat Owners Association of The United States (BoatUS) says this July 4th holiday week will be a doozie for America's recreational boaters. While boaters will have the best views for waterfront fireworks shows, "From June 29 to July 7, America will have more boats on the water than at any other time during the entire summer boating season," said BoatUS Director of Public Affairs Scott Croft. "Patience will run thin, mistakes will happen. Our 24-hour call centers are expecting several thousand requests for routine breakdowns, dead batteries, or flat trailer tires."

BoatUS has these five tips to keep boaters happy and safe:

- Have a life jacket for everyone aboard, and if guests aren't wearing it, keep it near them, under a seat ready to grab. It's the number one step you can take to ensure everyone has a good day on the water. If you need to borrow a right-sized kids life jacket (at no cost), go to the BoatUS Foundation's Free Kids Loaner program, www.BoatUS.com/foundation/ljlp.
- Be patient: The July 4th holiday is traditionally America's busiest recreational boating period, with the most on-the-water traffic. Go slowly after fireworks shows end, post extra lookouts on the way home, and be prepared for delays at the launch ramp.
- In freshwater, very small amounts of 120-volt AC current can kill. If the kids want to take a swim, never allow it in a marina, and only swim near a private dock if it is without electrical service or the power has been shut off at the source.
- Dead batteries and prop entanglements lead the list of requests for on water towing assistance. Download the BoatUS Towing App at www.BoatUS.com/towingapp to summon water or roadside assistance. On water towing plans start at \$43 for freshwater. BoatUS Trailer Assist roadside towing program with 100 miles of truck+trailer towing starts at \$14, plus \$24 BoatUS or BoatUS Angler membership. Marina discounts on fuel, transient slips and tackle shops are included.
- Go ahead and celebrate America's birthday with gusto! Just remember that being on the water all day can exacerbate alcohol's effects, so think about holding off until after you've safely made it home, and drink lots of water.
