Letter from Commodore Tim Hecker

Hello everyone!

We are now starting to get into the summer months and there will be a lot of

things heating up down at the Yacht Club.

As I write this, the new carpeting is being installed in the Club which I think everyone will like. Our last carpeting was over 20 years old and it was time to update it and fix some of the issues we had in the flooring. A thank you goes out to those who came down on Saturday morning and helped take the furniture out and remove the old carpeting. It went very well and faster than anyone could have imagined.

The new patio is being installed as well. It takes time to do this right and the weather hasn't been the most cooperative but it will be a nice addition to the Yacht Club and I am sure it will get its use this summer as the temperatures begin to warm up.

I would like to send out a special thank you to the Ladies Auxiliary for the donation of \$600 to cover the expense of our new folding chairs. This is greatly appreciated. Also a thank you to Wisconsin Nationwide for the use of a 53' trailer to store our table and chairs in while the new carpeting is being installed and to Laurent Home Improvements for coming by and hauling away the old carpeting.

I hope everyone is fired up about the upcoming summer and hopefully warm weather. We will have a lot of things going on at the Yacht Club so keep checking the bulletin board and newsletters for upcoming events and I hope to see you down there!

Commodore,

Tim Hecker

House Committee

Jim Kocian, Chairman

I have a special request, please when filling out a Party Application read both sides of the application and follow the request for payment. Please note the duties of the member handling the party. Some members have sat down with me at the club and gone over the do's and don'ts of having a party. It's a big help for all concerned that you fully understand the party policy.

It has been said that the club is yours to enjoy but all the same please show some respect for it. By that I mean turn off the TV's, radio, lights and clean the bar of glasses, napkins, etc. I've been told from out of town guests we have a beautiful club; help us keep it that way.

Many thanks to all the members who help me in many ways, it is greatly appreciated.

See you at the club! If you have any questions or concerns, please contact me at 920-905-1650.

Social Committee

Paula Feest, Chairman

The club was busy in May, starting off with the Kentucky Derby Party. I want to thank all the people that came down for the event. We had a great turnout, delicious food, beautiful hats, and very tasty Mint Juleps. This was an all around great party. Looking forward to next year. We also brought back one of our hamburger Chili nights in May. Once again, the turnout was awesome. Thank you to Dick, Keith, Bill and Tracy, along with your staff that helped. You all did a great job!

Because of all the graduation festivities in June, we only have one day set aside, and that is for the Boat Show, June 14th. Feel free to use this time to come on down to the club, to purchase, swap or sell any boat that you may have. Upcoming events in the works, Thursday "Wing Night". More to come on this event. Please watch for postings on the board. Forth on the Shore activities are being planned for over the fourth of July. Watch for details on the board. This is a good time for any apprentice to sign up and get some more hours in. We also have a Brewer Game/Bus excursion planned for Saturday July 26th. The cost is \$65/person, includes coach bus ride to Miller Park and back, includes a tailgate party with food and drinks along with your ticket to the game. This event is open to the first 48 people that sign up. It is open to members and guests. Please make sure you read the details on the board, for there is a waiver that EACH person that plans on going has to fill out when signing up. This waiver, along with payment, has to be submitted the day you sign up. This event will fill up fast, so please do not hesitate to sign up early.

I want to take this time to thank the social committee for being such a great group to work with. I'm really glad that I decided to take on as Social Committee Chair. We have a great team of people that are willing to step up to help, plan and participate. Your ideas and your go to attitude are the reason why our social events are so successful. There is quite a bit of work and time that goes into planning events and your hard work pays off. So, Thank you!! I also want to thank the members of the Club who have participated in these events, for each event has been a profit for our Club. YOU made that happen. We have many more events planned and we hope to continue to see the involvement that members have showed up to this point.

Fourth on the Shore

We are expecting a great turnout this year! We will need 20-25 volunteers for over the course of the day beginning with set-up until after the fireworks.

Volunteers

Majority of the tasks revolve on running the Beer Garden - bartenders, bar runners, parking attendants, door people.

Parking

The parking lot will be available for member parking only. As always please have your Member ID card ready upon entrance to our parking lot. Overflow will park on the grass as needed.

Open House

Please also note that the club itself **WILL** be open to the public this year from 11am until 9pm. We will have two hired bartenders inside; this will give us a huge advantage of being the only location on the lakeshore selling mixed drinks.

Camping

Everyone is welcome to camp on the grounds the weekend of the Fourth of July. Bring a tent or a camper down and set it up on the back grass. This has been a blast in past years so please come and join us!

Music

Stage #1 - **Classic Friends** playing from 11am until 3pm

Stage #2 - **Dave Steffen Band** playing from 3pm until 7pm

Beverages

Beer Garden (outside) - Beer, Wine Coolers & Water

MYC Bar (inside) - Beer, Mixers & Soda
