Letter from Commodore Tim Hecker

Hello everyone!

We are starting to get the warmer weather and I hope you are getting the chance to get

outside and enjoy it.

The patio is 99% complete and it looks awesome. Thank you Tim Krueger and his crew. When visiting the Yacht Club and the weather is nice, please go out and enjoy it. All we ask is that you use plastic cups for your drinks instead of glass. There are umbrellas you can use that are by the television that is near the bar. Please bring it back in when you are finished. We are looking at getting a door with glass in it so no one will get knocked by someone coming outside onto the patio.

It's hard to believe that the Fourth of July is near. We will have a heck of a party down here. The festivities will start at 11am and continue into the evening with two bands. If you wish to help, there are sign-up sheets on the bulletin board with all kinds of different things to do.

This can be a big chance to make money for the Yacht Club and to show off our facility. I hope to see a lot of members and friends come down and enjoy it.

We now have the approval from the city to build our new shed. This will definitely be a great addition to help with the storage. We are still in the preliminary stages, but you will be hearing more about this as we go through the summer.

I hope you all get the chance to come down to the Yacht Club this summer and check everything out that is new at the Club and what we have coming up.

By the way, there are still a lot of spots open for the Brewer bus on July 26th.

Hope to see you down here.

Commodore,

Tim Hecker

House Committee

Jim Kocian, Chairman

As of June 20th we have served 3,488 diners for an average of 139 year-to-date. At the present time, we are doing quite well financially on Friday nights. I might add after a real rough winter.

June 20th saw a large crowd of 173 at the club and there were some issues with wait times. As I've said in the past, at times we struggle with large crowds and this is not a reflection on our staff. They are a hard working, dedicated group of employees.

As always thank you for your patronage and patience on Friday nights.

If you have any questions or concerns, please contact me at 920-905-1650.

Social Committee

Paula Feest, Chairman

I have no idea where the month of June went. It feels like I just submitted my June article for the Waves a couple weeks ago. June was a little quieter month for social events, due to graduations, vacations and summer in general. We did have one event, that is an annual event every year. We had our Boat Show on June 14th. There were a couple boats brought in for sale, as well as, a couple vendors with their own little nautical treasures for sale. It was a beautiful day. Thanks to Jerry Hein and Ron Stokes for organizing this again for this year. They had delicious hotdogs, brats and hamburgers with cold beer to wash it down. Making my rounds that day, looking at all the boats and how much they were going for, I came across Don and Chris Cisler 's cute little gold boat, (sorry, I am not a avid knowing boat gal to know the name). When looking at the boat for the cost of what they were selling it for, I chuckled to see a sign, Owner: Don and Chris Cisler, Price: "could be for sale?" Hope someone came along and offered enough for you to decide to sell. Cute. Thank you all for taking the time out to participate, and thank you to those who attended at some point throughout the day.

July will be a busy month. Fourth on the Shore activities are being planned. There are sign up sheets on the board. We will need lots of volunteers for this event. Being located along the Lake, having the fireworks right in our back yard, several bands scheduled, and delicious food by Late's, how can this not be a success for the club. I hope to see many members and guests attend. Thank you to Tracy Virnoche and his crew (too many to name) and all the volunteers for stepping up and helping out.

July 26th is our Yacht Club Brewer Game. We will be leaving at 1:30 from the club, tailgate at Miller Park prior to the 6:05 game. The cost is only \$64/person, which includes, bus ride, food, drinks, and your ticket. We have great seats along third base line. This is open to members and any amount of guests that you would want to bring. Open to the first 48 that sign up.

The social committee would like to wish everyone a fun and safe summer!!! See you at the Club!

Attend the Monthly Membership Meetings! Always the last Tuesday of the month at 7pm.

Fourth on the Shore

We are expecting a great turnout this year! We will need 20-25 volunteers for over the course of the day beginning with set-up until after the fireworks.

Volunteers

Majority of the tasks revolve on running the Beer Garden - bartenders, bar runners, parking attendants, door people.

Parking

The parking lot will be available for member parking only. As always please have your Member ID card ready upon entrance to our parking lot. Overflow will park on the grass as needed.

Open House

Please also note that the club itself **WILL** be open to the public this year from 11am until 9pm. We will have two hired bartenders inside; this will give us a huge advantage of being the only location on the lakeshore selling mixed drinks.

Camping

Everyone is welcome to camp on the grounds the weekend of the Fourth of July. Bring a tent or a camper down and set it up on the back grass. This has been a blast in past years so please come and join us!

Music

Stage #1 - **Classic Friends** playing from 11am until 3pm

Stage #2 - **Dave Steffen Band** playing from 3pm until 7pm

Beverages

Beer Garden (outside) - Beer, Wine Coolers & Water

MYC Bar (inside) - Beer, Mixers & Soda

Food

Late's Food Wagon - serving from 11am until 7pm

Items include - Burgers, Hot Dogs, Fish Fry, & more

(Please contact Karl Birkenstock for additional information)

The Waves needs your help with contributions in the form of letters to the editor, photos – old and new, articles on water activities, suggestions, etc. ANY input is valuable!
