## Letter from Commodore Heidi Koch

Hurray for May!

Summer is right around the corner now. Hopefully we will be concluding the Spring Clean-up this Saturday and have the grounds in tip top shape. Thank you to the handful of people who have already volunteered but we could still use some more please.

There are a lot of great things happening at the club in May (listed within the newsletter)! Make sure to take full advantage of these events since we will let up during the summer months while everyone is busy.

The Smelt Clean & Fry went off without a hitch thanks to our many volunteers! Special thanks to Dale Hynek, Tim Hecker, Bill Marshburn, Keith Laurent, Jerry & Wendy Krueger, Paula Feest, Ed Hansen, Ryan Koch, and of course the MANY apprentices! We served 165 that night but still have some leftover frozen smelt, all cleaned and ready to cook. If interested they are available in 2 lb bags for \$8.

The Ladies Auxiliary made a very generous donation to the club this year of \$800 to be used on new flatware. The

club was in desperate need of a new set. Thank you to Ann Meidl, VP of Ladies Auxiliary; for researching the different options and finding the best deal. She selected a really nice set! We ordered 15 dozen forks, 12 dozen knives, 12 dozen spoons and 6 dozen soup spoons for a total of \$925, the club will contribute the additional \$125. Please make sure when cleaning up during club events that these do not end up in the trash bin. I hope everyone notices the difference!! As for the old flatware we will hold on to it in case it is needed in the future.

New energy efficient lights have been installed in the galley and storage room by apprentices Doug Keifer & Bill Nichols. Thanks guys the up-

grade was long overdue!

Also I hope everyone has noticed the wooden MYC Burgee on the garage which was handcrafted by apprentice Bill Maciejewski. If you haven't seen it be sure to check it out, it's a great addition to the club. Next month I will make sure to get a picture of it in the newsletter! As you can see we have a great group of apprentices that are more than willing to help out and better our club with new ideas. It's only been four months and they are already contributing to and treating the club as their own!

Lastly I would like to remind everyone to be respectful and watch their language when at the club. We do not want to make it uncomfortable for any of our members. Also remember that the bar is closed during the general membership meetings.

Thanks everyone!

Heidi

## Committee News

### House Committee

*Jim Kocian, Chairman*

In the past we have had some very big Friday nights when it comes to the number of dinners served. Large numbers means a longer wait to get in the dining room. I want to tell you its not because the staff is loafing back in the galley. On two occasions I have had to work in the galley on Friday night. Brian and his staff are constantly on the move.

April 3rd we served 193 dinners which included several large groups and in turn longer wait time. I want to thank everyone for your patience and understanding when this happens.

If you have any questions or concerns, please contact me at 905-1650.

### Ladies Auxiliary

*Sandy Murray, President*

The Ladies Auxiliary met on April 7 for their monthly meeting which featured a fashion show by TLC Casuals in Sheboygan. Four of our members volunteered to model clothing and accessories furnished by TLC, making it a fun and enjoyable evening. The annual banquet will be held at the Courthouse Pub on Monday, May 4. Cocktail hour will be from 5:00 until 6:00, followed by dinner at 6:00.

The Auxiliary Bake Sale on April 10 was very successful. Thank you to everyone who

purchased a home-made dessert and for supporting the Auxiliary.

As always, if anyone is interested in joining our club, please contact me. You are welcome to attend one of our meetings on the first Monday of the month at 6:30 p.m. and find out what we are all about. Or contact Ann Meidl at 920-973-7330 if you have any questions.

### Social Committee

*Paula Feest, Chairman*

I cannot believe that we are in May already. I want to mention that we had a very successful Smelt Fry this year. The smelt were a little smaller than what we thought, but the feedback from the public was that they preferred the smaller ones. They tasted better and easier to eat. The Tuesday night cleaning crew would probably disagree. Hat's off to that crew, for it did take a while to clean all those smelt due to the size. Thank you to all that helped to make this event run so smoothly. Right behind the smelt fry, was Triple D's famous BBQ rib night. There were many plates of delicious ribs and all the fixin's that were served. Thank you Don for hosting this annual event and thank you to the 50+ people that attended.

The month of May is another month of fun events planned, starting with, as hostess, May 2nd, THE YACHT CLUBS 7TH ANNUAL KENTUCKY DERBY

PARTY. I know there will be many members & guests returning for this event, for it is tradition, but I would like to see new members & guests attend this event. It truly is a fun time; mint juleps will be served, there will be horse betting, and many colorful hats will be worn. They call it the most exciting two minutes in sports. But the Kentucky Derby is about far more than just a two-minute horse race. The first Derby was run in 1875, and the race, held every year on the first Saturday in May, endures as America's longest-running continually held sporting event. A recent poll in USA Today named the Kentucky Derby as the second most popular sporting event for which to hold a party (after the Super Bowl). Hope to see you there!!!!

May 9th we have Couples Steak night, and right behind that, May 12th, Steak and Shrimp night. Members of the club will be eating good that week!!! May 21st is another Hamburger Thursday. I have a feeling this one will be well attended. It's been a while since our last one, spring is here, and we are having warmer weather which seems to get more people out and about. All 3 of these events, are put on by Dick Kornely and his crew. They truly do a great job!!!

June 20 & 21st will be the MYC Boat Show. This is an opportunity, if you are interested, in buying, selling or swapping a boat. There will be hamburgers and brats being grilled on Saturday. There will be a sign up sheet for help, for we will need help grilling. This is a great opportunity for apprentices to get in some hours. (cont. page 3)

The club would like to recognize Jerry Hein for spearheading this event. You do a great job Jerry. We really appreciate your dedication and hard work!!! So if you don't have a boat to swap or are not in the market to buy, just come on down for a burger or brat, ice cold beer and great conversation with Jerry.

I'm not sure if all of you realize what all is entailed in running these events. There is quite a bit of work, planning and orchestrating that occurs in order to make them successful. The members of the club that take the initiative to sponsor these parties, should be commended. Without these members, we would not have such a successful club. Take the time to thank these people. We owe it to them. The MYC had a very good first quarter for social events. Thanks to the members who participated to make this happen.

We have GREAT members, the membership has GROWN, our financials are GOOD, participation is UP, and we are having FUN. – ALL IS GOOD-See you at the Club-

### Photo Shared!

This photo was submitted by **Claude Barta** a Life member of the Manitowoc Yacht Club.

He stated four of the blue spruce pictured were planted by him and his son Peter in the mid-1970's. They were seedlings 2-3 feet tall. The one out of the dining room was already there and was about 10 feet tall.

Thanks Claude for sharing this information with us. We are always looking for help with contributions in the form of letters to the editor, photos – old and new, articles on water activities, suggestions, etc.
