Letter from Commodore Chad Radtke

Hello All... This is going to be short and sweet as all I can think is that IT'S ALMOST SAILING SEASON!!!

April was fun! A lot of great events were held and I hope you took advantage of them. There's a bunch of things going on in May and hope to see you at some of them.

And here's a message for all the active, life and honorary members...

The club needs your help... We do not have enough apprentices this year for all the events that are held... We've managed to make things work so far, but events may get canceled for lack of help going forward so please try to help if you can.

See you at the club... Unless I'm sailing, that is...

Chad

House Committee

Jim Kocian, Chairman

As of this writing on April 29th, we have come off of a 160 Friday dinner night at the club.

I want to welcome back all the snowbirds! You and all the rest of us that stay up in the frozen tundra can enjoy this great club together again. I've said this in the past about all the work it takes to run this club. We have some very dedicated people, past and present. I can't tell you all the times I have called various members for help and they are right there. They are too numerous to name but I want to thank each of you for all your support. Your assistance is greatly appreciated.

Just a reminder when planning a party please call me to set up a meeting so we can go over the do's and don'ts which is a great help for all concerned.

Thanks to all who make this club run successfully. You all do a great job!

Paula Feest, Chairman

The Yacht Club continues on with May being a busy month with several events.

May 7th- The Kentucky Derby Party- The festivities start at 3pm, race approximately 5pm. Come on down, bring a dish to pass, drink some mint juleps, and don't forget to wear your hat. This is open to members and guests.

May 10th - Steak and Shrimp night & May 21st couple's steak night- Looks like those that plan on attending these two events will be eating good. I want to thank Dick Kornely and his crew for putting on these two steak nights. It truly is a lot of work and they do a great job!!!

May 28th - we are having free music at the club, donated by Steve Klein and his band, Classic Friends. Come on down and enjoy some dancing and listening of the finest in rock and roll and rhythm and blues. This date is also around Eldon Klein's birthday, Steve's father. So come on down for some musical fun and celebration. Open to members and guests.

June 18 & 19- we have our annual boat show at the club. This is an opportunity, if you are interested, in buying, selling or swapping a boat. We also welcome any nautical items, or any miscellaneous items that you or anyone you know may have to sell. This is a good time to sell some belongings that you may have had laying around for way too long. There will be hamburgers and brats being grilled on Saturday. There will also be a sign up sheet for volunteers for grilling on Saturday. The club would like to thank Jerry Hein for his work on this event.

We hope you take advantage of the events that are planned for you as members of the club. All the events, along with volunteer opportunities, are posted on the board. We need all members to consider volunteering. So, get out there and get involved. It takes a lot to run this club and we have many members and many opportunities for volunteer work. Volunteering can be fun. It's a great way to get to know some wonderful people that we in our membership.

See you at the club, Paula

Ladies Auxiliary

Sandie Murray, President

The Ladies Auxiliary met on April 4 for their monthly meeting featuring the annual Spring Fashion Show presented by TLC Casuals of Sheboygan. It was a fun evening as Auxiliary members modeled clothing and accessories from TLC's new Spring line.

As we discussed the purpose of the Auxiliary and our ongoing efforts to recruit new members, we realized the many good and important things we do for the good and the betterment of the Manitowoc Yacht Club. To name a few, we decorate the Yacht Club for Christmas, we put on the Children's Christmas party, we provide Christmas gifts for families who reside at the Hope House (who otherwise would not have much of a Christmas), and we hold a campaign for Coats for Kids each year. Also, we give the Yacht Club a gift of money to be used for whatever they feel is needed at the Club. Over the years, the Auxiliary has covered the cost of baby changing tables in the rest rooms, a table and chair in the dining room, tablecloths, silverware and folding chairs, to name a few. We do all of this from our modest treasury, built from bake sales, fund-raisers and our meager \$10 annual membership dues.

We are proud of our accomplishments and we want the Auxiliary to stay strong and viable. In order to do that, we need members, and we need their participation and their support. Since it has been made possible for the ladies to become Yacht Club members, some may feel that there is no longer any reason to be a member of the Auxiliary. That is not true because I believe that we provide a valuable service to the Yacht Club. A suggestion was made to change our name from the Ladies Auxiliary to "Ladies of the Yacht Club". This may be appropriate in view of the fact that ladies can now be Yacht Club members, and not just "helpers or assistants" to the Club, as our name signifies. This issue is under discussion at this time and will be put to a vote at our next meeting along with the election of officers.

This message is intended for all members and spouses of members at the Yacht Club. Please consider becoming a member of our organization and support the Ladies Auxiliary. We meet just one evening a month during 8 months of the year. It is a social group with a purpose, and it is worthwhile.

Our next meeting is on May 2 at the Courthouse Pub where we will meet for dinner. It's our annual banquet before we break for the summer. Cocktails from 5 until 6, and dinner at 6:00. Please contact me if you are interested in attending and in meeting our group.
