Letter from Commodore Randy Drumm

Greetings to all M.Y.C. Members! Let's hope that the remainder of March treats us all as well, weather wise, as it has so far this month. Hopefully, old man winter has his retirement planned and his travel ticket purchased. Moving on to our club news, this has so far been a very busy month.

Our planned opening date of April 9th for Friday night dining is fast approaching. The plan is to serve the limited menu and a weekly special. This weeks special is prime rib.

The Social Committee's Friday, March 26th, Fish-To-Go went very well. All the people who worked the event, prep work, cooking, kitchen, etc. everyone involved from beginning to finish, had a good time and enjoyed themselves. Good Job everyone!

Our new credit card system should be here shortly. With some training, it should be up and running soon. Our new computer system has been installed and all systems are up and operating. Thank you to the computer technician and others who were involved with this project. This is a very nice addition to the club.

We have and are having apprentice opportunities working at the club. As mentioned previously, the Friday Fish-To-Go and also on Saturday March 27th, the bar and club cleaning kick-off for the opening of Friday night dining. Thank you to all the apprentices that participated. Job well done!

We still have a chair person opening for the Sailing Committee. If you think you would be interested in giving it a try, we would appreciate your interest. As of now, Liysa Callsen is keeping the club in the loop with any updates from the YMCA program and will help anyone interested by getting them up and running the committee.

Our (2) new A.C. units that were approved in 2020, are now scheduled to be installed shortly. This will take a couple of days by Schaus Mechanical. This will be (3) of the (5) AC units that needed replacing.

I want to give a Thank You to Dick Kornely and John Glaeser for the number of hours they put in drilling through the original 4 inch thick ceiling, locating, and running everything involved to get the light in the light house operating. Take time to observe it in the evening. It looks great! Thanks to all persons involved from start to finish on this project!

As always, please come on down and enjoy our club. The bar is open from 6am to 2am. Until next month, enjoy, be safe, and stay healthy!

If you have any questions, you can contact the club or me and I will respond.

Apprentice News

By: Dick Nitsch—Vice Commodore

I am impressed how quickly we have filled volunteer opportunities when available. We have received a good response from both the 2021 and the 2020 apprentice groups. I continue to encourage all members of the Yacht Club to let me know of any volunteer opportunities that

arise, so that I can communicate the need to our apprentices. Our apprentices come into our club with a wide variety of skills. Let us not underestimate what our apprentices might be able to do. We had a couple of apprentices volunteer to help set up our new computer system because they had the skill to do it.

I will send out an email memo to apprentices encouraging them to

attend Yacht club membership meetings (4 required) and schedule a bar training if they have not done so.

Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

2021 Apprentice Group

- 9/17 completed bar training hours
- 9/17 completed some volunteer hours
- 6/17 attended a membership meeting

2020 Apprentice Group

There are 12 apprentices from 2020 that still need to meet some portions of the requirements:

- 9/12 apprentices need to document attendance at membership meetings
- 10/12 have volunteer hours to complete
- 6/12 apprentices need to complete bar training.

HAMBURGER CHILI TO-GO

- \$3.50 Hamburger
- \$5.00 Double Burger
- \$4.00 Cheeseburger
- \$5.50 Double Cheeseburger
- \$4.00 Cup of Chili with or without noodles
- \$.50 Bag of Chips
