Letter from Commodore Paula Feest

The summer months at the club for events are not quite as busy as the rest of the season, this is normal. The summer months most people take advantage of vacations and time being spent with family. One thing that has helped out the club to fill the gap of club functions, was all of our member's private parties. We have had numerous members take advantage of using the club for class reunions, family reunions, weddings, showers etc. It is a great way to make money for the club while also being a wonderful spot for the members to host their party with their guests. I want to thank Jim Kocian for spearheading all the private parties. He has a lot of them and does a great job being the lead.

Something new down at the club, we have added next to the bulletin board a "To Do" board. This is where you can find anything that we are needing help with down at the club. Sometimes members want to help at the club, but do not know what needs to be done. With the list posted at the club, it allows all members to know what we need help with. The idea was brought up at our

last board meeting by Dick Kornely and I think it is a good one. Thank you to Dick Kornely and Dave Franz for putting the board up. Members feel free to check it out and sign up to help where needed.

Sponsored parties- We like it when members, sponsor parties at the club, Kentucky Derby, Packer parties, steak night etc. When being the sponsor for these parties, we have certain rules at the club that we need to remind people of from time to time. It is the member/members who sponsor the party to make sure that they put the party posting on the bulletin

board, get the volunteers for the event, and make sure that you are there from beginning to end to make sure the club is put back the way it was when you got there. That means, dishes washed, dishes put away, all tables and countertops wiped down and the floor is vacuumed or mopped. This is a gentle reminder of club etiquette, in general the club is full of kind, considerate and caring people, but these are a few points that are being brought to our attention at the moment and we need to address it with our members.

I cannot believe this is my August article already. Another summer is coming to an end. Whether you spent time at the beach or simply enjoyed the sun's warmth from your backyard, the awareness of summer ending can leave you feeling a bit melancholy.

Letter from the Commodore cont.

August turns to September the swimming pools close, the ice-cream trucks stop coming around and little ones start waking up early each day to go to school. Some parents welcome fall and the cool weather and return to a schedule it brings while others wish they could stretch the relaxing days of summer a little bit longer. No matter how you feel, summer is ending. As you think back over the past couple of months, think of the good times. You likely made plenty of memories with friends and loved ones that you will cherish forever.

So here's to summer and all that it brings. Here's to the fun times and sunshine that

no other season can quite compare to. Here's to the excitement of longer days, meaning more time spent with family and friends and getting things done. Here's to the vacations and weekend trips that made memories that will live on into next summer and beyond. Here's to the relaxation and rejuvenation that was much needed by the time June came around. And here's to the summers to come. While it's time to embrace the new season, you know that you can always take comfort in the memories of summer, and look forward to the many more next year.

As of August 3rd, the club has served 4,534 dinners. Thanks for your patience, I know the wait can be somewhat long at times. Last month we have had some BIG CROWDS!

Thanks to everyone for joining us.

Just a reminder—when you are planning a large group to join you there is no reserving more than one table. It is a first come, first serve basis.

If you have any needs or questions, contact me at 920-905-1650.

History of the Manitowoc Yacht Club

I came across this certificate while looking through our archives. Most of you who knew Wally Fritsch will find this quite humorous. He was quite the character. So this certificate for the Annual Cruise and Rendezvous seemed quite fitting. For those members who did not know Wally, well you get a good indication of his character from the certificate.

Other Information

“Get To Know Your Member” – “Meet Ron & Dolly Stokes”

Many of you may already know who they are, but do you know how important they are to our club? Ron became a member in 1973, his sponsor being Tom Savage.

Ron held many positions within the club. He held the position of Commodore in 2007, his focus, trying to make the Yacht Club more friendly. He helped to improve the galley and his dream, while

commodore, was to make the office bigger. All us Commodores after you Ron, are still waiting for you to make that happen- LOL.

He was a board member for many years on and off. He served as House Chair, as well as Social Chair. During his years, he always tried to get things moving down at the club. He was involved in the Commodores Reunion parties, Friday night veggie crew and ran the Boat Show/Swap for 13 years. Back then the parking lot was loaded with boats for the Boat Show. Beautiful Woodies as he would say. We once were known as the “Snipe” sailing capital of the world, thanks to Mr. Schuette who held the championship title of Snipe headquarters around the world for 4-5 years. Friday nights he brought to the club “Guest Soup Night.” This is where a certain Friday night was picked and a member could showcase their soup to be served on Friday night dining. Ron also was the Club’s Historian for years. Along with Ron’s membership, we also gained membership with his wife Dolly. Dolly is active in the Ladies Auxiliary, helps on Pancake Breakfast and helps other committees when needed. She is always willing to bring a dish to pass for parties, her staple being bars. She makes delicious bars. Ron’s dish to pass, was always empty. Ron and Dolly hosted many parties through the years, Italian night, Hamburger night, Weiner Wednesday night, helping to make money for the club, while having a good time doing it. They both enjoy the after work happy hour time at the club, sipping manhattans with all the friends that they have met through the years. I would like to take this opportunity to express my heartfelt thanks to you Ron and Dolly for all that you have done for the club through the years, as well as, your continued active involvement.

Email—We received an email from some boaters that had visited our club last month and wanted to share this with you.....

“Just wanted to say thank you for a very enjoyable dinner we had. And a special thanks to Jim for his great hospitality in welcoming transient boaters from Mackinaw City on our way around Lake Michigan we certainly enjoyed ourselves and the club.
