Letter from Commodore Randy Drumm

Hello again and greetings to all our MYC members for our month of December. Our year is fast approaching to a close and we have a few events remaining in December for all our members to enjoy. They are as follows: 3-more Friday nights dining (December 3rd, 10th and 17th), the Change of Watch on December 11th and the last Steak Night on December 14th. We also have our New Year's Eve Party at the club sponsored by Mike Miller and Chad Radke. Hopefully, you can attend all or at least some of the events at the club to close out the 2021 calendar year.

I again have a few thank yous to pass along to our membership. I asked about approving funds for a new mixer for the pancake breakfast because of issues with the old cast iron unit and it was approved. We have now received a check to cover the cost of the new mixer from B&B Metals. We thank you for your donation. I also want to thank Chuck Webster for donating 2-58" Samsung Smart TVs for the club's bar area and we thank Dick Kornely and Steve McMahon for installing the TVs. Steve also put up a new steel board for our name tags. I also want

to thank Scott Mertens for donating a storage unit for the clubs furniture for the 2nd year. The furniture was removed because of Covid-19. The large wreath is up on the garage and was donated by Mark & Tina Burbey and they also gave us a check for the clubs general fund. We want to again thank Debbie & Mike Miller for planting and caring for all the outside flowers at our club. They again donated over \$200 in flowers. Thank you, what a blessing! I want to thank and express the clubs gratitude for all your generosity towards the MYC and its members.

The Trivia nights are working out pretty good so far. They have a nice group of people enjoying the evenings and the club. The more the merrier!

 Dec and Jan Calendar
 Upcoming Events

I want to remind all memberships and new apprenticeship members that dues have to be received by December 31st, 2021 payable to the Manitowoc Yacht Club.

There will be an "Apprentice Orientation" on January 9th, 2022 at 1pm at the club for all our new 2022 apprentices to attend. You will find out what the MYC is all about, and what your functions and responsibilities will be.

We have hired a couple to clean the club and they are doing an excellent job of cleaning. Their names are Bel and Brandon Grosstueck. If you have any questions about what they do, please direct your questions to the Board of Directors and they will be answered. These folks are hired just to clean and to do their job same as any other subcontractors or employees that are hired by the club.

The club is constantly looking to hire more staff and this includes the following positions: bartender, bussers, (Cont. on page 2)

Attention Membership:

Empty cash register, but leave about \$120.00 in cash, putting excess cash in money envelope and dropping down the wall slot.

Reminder: The club alarm system activates daily at 2am-6am. If the system detects motion within the club the police will be notified.

Committee News

Cont. From Commodore Randy

waiter, cashiers, dishwashers, and fry cooks. As of this year and late fall, we have lost a few people to school activities and other jobs. This being said, we are operating with a skeleton crew and short handed in the kitchen and other areas for not only on Friday night dining but also at club events and parties. We need to have some back-up staff to call on when our main staff cannot make it or wants a night off. This is only fair to anyone that is working. There has been a number of members and myself plus our House Manager that have worked numerous time to fill vacant spots for dining and bartending of some event and parties. This has been done to make sure all these events go as planned because we do not have enough people in reserve. Not everybody can work all the time and we would all like some time off and be able to enjoy the club. For this reason, we will continue to look for people to fill

our open spots until we have good coverage in all positions. Thank you!

Mark Burbey has decided to step away from Vice Commodore due to the growth of their business. The Burbey's feel that Mark could not devote his full attention to fulfilling his obligation to the club and also devoting the same level of attention to their growing business. I have always said family and the business or job comes 1st and 2nd. I have and will accept the Burbey's decision on this matter.

I have talked to Mike Haucke and explained the situation to him. Mike has no problem stepping up to Vice Commodore for 2022. We also discussed the Rear Commodore position and he agreed that Fred Schmooch would be a good fit for the position. Mike knows him and has talked to Fred at different times. Fred and his wife, Louise, have extensive experience and knowledge of how the club operates and how events are run. They have worked most all of the events that the club had this year. They have done prep work, worked during the event, worked

cleanup after the event, and helped with the cleanup when called upon. Fred also has helped tend bar for a party. They have a very good working knowledge of how and what it takes to run the club. I am nominating Fred Schmooch for the position of Rear Commodore and Mike Haucke is in full agreement.

I am now signing off for this year. I wish everyone a Wonderful and Merry Christmas and a Happy New Year. Best wishes to all and enjoy your time with your family and friends.

Merry Christmas from the MYC and from Commodore Randy Drumm!

As always, come on down and enjoy your club for drink or two, Friday night dining, steak night and all the other club events.

A reminder the bar is open from 6am to 2am.

If you have any questions, you can contact the club and we will respond.

Apprentice News

By: *Dick Nitsch—Vice Commodore*

The 2021 Apprentice year is close to the end. The following is an update for November.

Of the 2021 Apprentices—All apprentices have met all the requirements except for one

person needs to attend one more meeting.

Of the 2020 Apprentices—All apprentices have met all requirements except one person needs to attend one more meeting and another needs 2 hours of volunteer time.

We are close to moving all of this year's apprentices to full 2022

membership and welcoming a new group of apprentice members.

Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

Committee News

Ladies of the Yacht Club

By: Sandy Murray—President

The Ladies of the Yacht Club met on November 1 for their monthly meeting, followed by a presentation on how to take that perfect photo, put on by a representative of Lakeshore Photographers.

The ladies hosted a bake sale at the Yacht Club during Friday night dining on November 19. Thank you to all who purchased the delicious, home-made desserts, and for supporting our club.

The ladies decorated the Yacht Club for the holidays on November 22. They were assisted by members of the local Girl Scouts who climbed the ladder to trim the top of the tree.

Our fundraising events to raise money to purchase Christmas gifts for local families in need have been successfully completed. The ladies will meet again at the Yacht Club on Monday, December 6 at 6:00 for our Christmas party and a potluck dinner. We will discuss the families referred to us by the Manitowoc Public School District, determine the money needed for the gifts and the shopping will begin! Gifts will be delivered to the principals of Jackson and Franklin schools in plenty of time for Christmas Eve. Thank you to everyone who supported us in making this happen.

Merry Christmas & Happy New Year to all!

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920)323-6073 or email us at ladiesoftheyachtclub@gmail.com

Merry Christmas!
