Letter from Commodore Dick Kornely

July marks the halfway point of my tenure as Commodore. I would like to report that things are going smoothly, with an outstanding response from members and I hope the support continues through the remainder of the year!

THE POOP ON VOLUNTEERING AND CURRENT VOLUNTEER OPPORTUNITIES!

There are three kinds of people: those that make things happen, those who watch things happen, and those who say, "what happened? (Casey Stangel)! Volunteers are the engine that make the Yacht Club what it is today and what keeps the lights on! Board members and committee chairs devote countless hours in a variety of ways to support your club. I would like to thank all who step up to support the club!

We need everyone to support our BIGGEST EVENT of the year..."FOURTH ON THE SHORE", we will have two bands, our first band is 4 Shades of Grey starting about

11:30am and they will playing on our float in the parade! Our second band is Dave Steffen band from 3:30-7:30! We have a food tent serving your favorites and of course a refreshment tent! We still need some folks to walk the parade to hand out candy etc! Maybe some grandkids or kids could help us out, call me 920-973-3343 if you can help out. The parade starts at the Courthouse and ends at the Yacht Club.

Our second bench has been installed by the flag pole. It is the second donated bench by members in remembrance of

a loved one! This bench was donated by the Markwardt family in memory of Grace! This will be used by members for centuries and we will keep her in our thoughts. Thank you from all of us! The first bench was donated in Don Duckart's memory!

We need to support our Friday night staff that give up every Friday night to make our dining experience a good one. We have had some struggles lately because of the number of diners that all show up at one time. The last two weeks 120 diners all signed up in one hour! That makes the wait a little longer. We will continue to work on our systems to improve! THANK YOU TO OUR STAFF and thank you to all our diners that support our club!

Have a fun and safe summer!

Apprentice News

By: Richard Metzger—Vice Commodore

Hope you're having a great summer! Mother Nature could step up to the plate with a little warmer weather! Have heard that our summers are two weeks of bad ice skating!!

Apprentice hours are coming along at a good rate. Several

have completed their hours....some are a little behind. Check out the postings on the Big Board for open slots to pick up hours or bar time.

Remember you also need four meetings to complete the requirement for full membership. Nice to see more members wearing name badges. The order sheet is posted on the board and a bargain at just \$10.00.

Seems like the days are just flying by.

Come down for a Friday night fish fry, cocktail and conversation.

Hope to see you at the "Fourth on the Shore".

Contact me with any questions or concerns: 920-901-5714.

Photos at left of the new bench added! What a beautiful memorial for all of us to enjoy!

Chili Cup Results

The Chili Cup lived up to its name this year as it was rather chilly and the chili was great. Thanks to everyone who helped out, got the food ready, cleaned up, drank at the bar and participated in the event.

The weather was not perfect, with N shifting NE winds around 15 to 20 knots much of the day and some isolated rain showers. Despite this, 5 boats participated, and in the spirit of last years event, the top two finishers were separated by only 1 second after over 50 minutes of racing. Hard to get any closer than that! The overall winner and winner of Section 2 was John Creagh on Rhomboid a S2 9.2A, Second in fleet, winner of section 1 and 1 second out of the overall win was Interlude, skippered by Mike McGrane.

John Creagh will have his boat name immortalized on the nearly famous Chili Cup perpetual trophy, enjoying all the fame and honor that flows to the overall winner!

Second in Section 1 was Ned Jerabek skippering Meant To Be

Second in Section 2 was Dave Wilhelm in the S2 -7.3 Fanfare
Third in Section 2 was Rob Bartz skippering the S2 8.0 Therapy.

I am sure the cool weather and rain dampened some fo the turnout, but a hardy group of sailors did an outstanding job on the water today. The racing was close, with boats finishing in close succession. Congratulations to everyone and thanks for making it a wonderful event.

All the best...by Mark Mahowald
