Letter from Commodore Dick Metzger

I hope all are well and safe enjoying our beautiful summer weather! It was nice seeing the members that came down for the chicken "take out dinner"! We did abide with social distancing and all safety measures. A big thank you to Mike Miller and all the members / apprentices that helped make this "unevent" successful!

The next Board of Directors and Membership meeting will be Tuesday July 21st. This all depends, of course, on decisions by federal, state, county, and city governments. The major concern has

been the health and safety of our members and staff. The House Committee is monitoring ways to open and maintain safety. We are trying very hard to keep everyone up to date. If there are questions or concerns, please contact me or "House Committee" members.

On the lighter side, the wood pilings

have been removed. Thank you Dick Kornely and the apprentices for taking on this chore. Bill Marshburn removed the old piling wood. Bill & Bonnie have also offered to purchase the new replacement poles. Thank you!

Looking forward to seeing you at the club now that the bar has re-opened to regular hours. Stay safe!

Apprentice News

By: *Dick Nitsch—Vice Commodore*

Nothing to report at this time.

The club encourages all apprentices to read the WAVES and watch for future volunteer and meeting opportunities. Please refer to the Manitowoc Yacht Club

website and the WAVES newsletter for future activities and opportunities to volunteer your services.

I ask all club members to consider friends and family that might make good Yacht Club members. We currently have 17 people on the waiting list. We would like to increase the number of people that are interested in becoming a members. Please let a

member of the Yacht Club Board of Directors know if you have someone that is interested in membership.

Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

Ladies of the Yacht Club

By: *Sandy Murray — President*

We were pleased to be able to meet at the Courthouse Pub for our annual end of the year dinner on June 23, postponed from May 12 as originally planned. Everyone agreed it was nice to get together again, and the Courthouse Pub did a good job of keeping us all safe. The Ladies of the Yacht Club will not meet over the summer, as usual. Hopefully, our meetings will resume again in September. I am looking forward to another year of interesting and exciting programs in 2020/2021.

Have a nice summer & be safe!

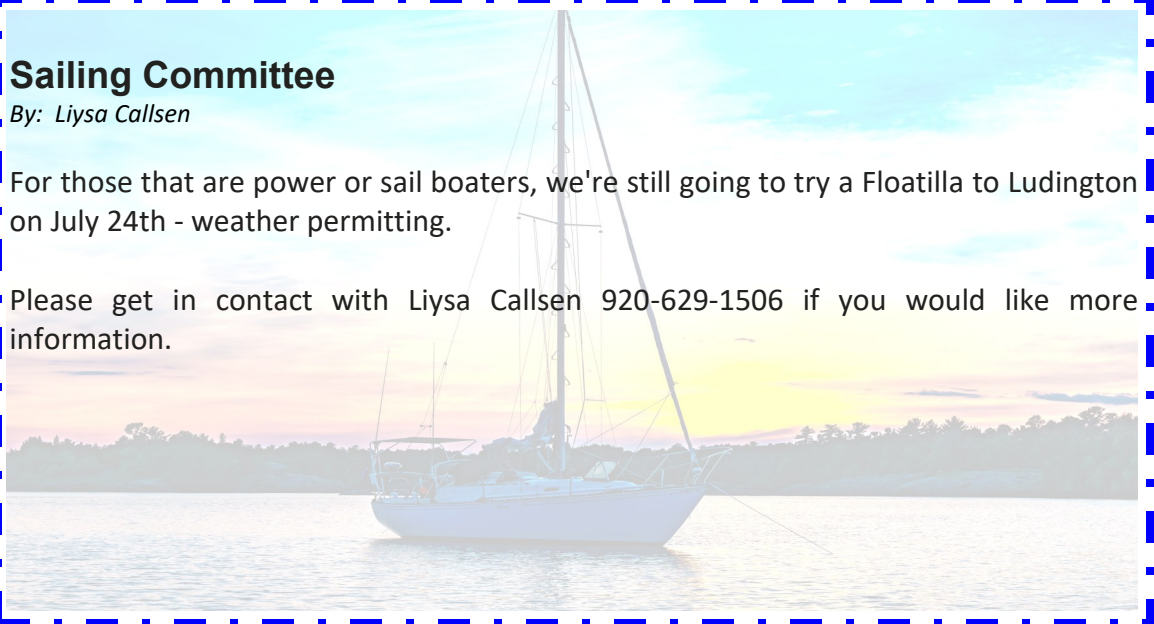

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920) 323-6073 or email us

Fourth of July– Club Closed

By: *Liya Callsen*

Hello Members,

At the Board meeting - it was decided that the Manitowoc Yacht Club will be closed to members on July 4th. No access will be granted. We do not take these decisions lightly. Extensive conversations went into this decision. Ultimately, our concern stem from the risk for larger gatherings inside the club. We also do not have the staff to safely sanitize, serve and monitor the bar during this time.

Of course you are welcome to utilize the grounds and parking lot to see the fireworks.

The bar is still open at normal business hours per a previous email. We ask that you continue to sanitize surfaces after using them (beer taps, soda gun, bar tops).

Check out the club bulletin board for:

The Waves needs your help with contributions in the form of letters to the editor, photos – old and new, articles on water activities, suggestions, etc. ANY input is valuable! Drop them off at the club, mail to The Waves' attention or email manitowocyachtclub@gmail.com. We hope to make the waves more informative and interesting!
