## Letter from Commodore Randy Drumm

Hello and greetings to all of our MYC members for the month of July! Well folks, we finally have been getting some great summer weather and now so much needed rain, HURRAY! Now the only other wonderful thing we need yet is for our "4th On The Shore" to have a perfect day of weather and so far the weather looks great for the weekend.

The Manitoowoc Yacht Club invites you to come on down and enjoy the days festivities with family, friends, guests and many others. Remember the club is open on the 4th to the public. Fireworks are at dusk in which you will also be able to view most of Two Rivers Fireworks from our location!

Our Friday Night dining is moving along and we are trying to offer different specials plus using our menu. Some Friday nights attendance are better than others, regardless of that nights special. It is hard to predict on any Friday night what our attendance will be. But we continue to average 85 each week and look at past and current weekly numbers. We try to order our food accordingly. Come on down and enjoy!

I will again thank all our members, apprentices, new hires, kitchen staff, bartenders and our club manager for a job well done each week. High Five to you all! You are well appreciated! A continued reminder that you pay your dining bill before our cashier goes home. Good job so far, thank you!

The July 4th festivities or 4th on the Shore begins at 11:00 a.m. Come on down and enjoy the day. If you didn't volunteer on the sign up but wish to help out for a short time it would be greatly appreciated. A two hour shift would help someone else take a break. Any timeframe would help. Thank you to all from prep to clean-up and tear down. Thank you, Thank you, Thank you!

July and August Calendar

Upcoming Events

Now for our apprentice update; the apprentices that need meetings can get credit for either the board meeting or the membership meeting but not for both. You now have five months left for your four meetings, don't count on the December meeting because that one is at the Change of Watch and lasts only 10-15 minutes.

For those apprentices needing hours there is plenty of opportunity to achieve this with all the club events the remainder of this year. There is also a list along side the bulletin board of things that can be done around the club and property to attain your hours. This is your responsibility, you have to make the choice to get your meetings and hours completed by year end or your membership will be denied.

Another issue that needs to be addressed and that is about the over pouring of drinks. Those that are doing this know who you are and so do we. We also hear this from other members, this needs to Stop! (cont. on page 2)

Empty cash register, but leave about \$120.00 in cash, putting excess cash in money envelope and dropping down the wall slot.

Reminder: The club alarm system activates daily at 2am-6am. If the system detects motion within the club the police will be notified.

### Apprentice News

By: *Dick Nitsch—Vice Commodore*

Three apprentices still need bar training. Eight apprentices only have 0-1 meetings logged. Dick has been reaching out to all apprentices. Five apprentices were in attendance at the June board meeting.

Reminder that 4th on the Shore is a great opportunity for volunteer hour.

I may be reaching out to the apprentice's sponsors for them to remind the apprentices of their requirements.

Enjoy Friday night dining and the rest of the benefits that the

Manitowoc Yacht Club has to offer.

Please feel free to contact Dick Nitsch at [dnitsch1122@gmail.com](mailto:dnitsch1122@gmail.com) if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

### Letter from Commodore Randy Drumm (cont.)

So police yourselves when making your drinks or things will need to change. When you pour a double, triple and or fill your glass 3/4 full of booze you need to pay for what you pour. Not pay for a single! You do not get that kind of drink at any other bar anywhere in the area when you order it from the bartender! You have to pay for what you order. Do the same at the club, be a good member and follow the rules.

Last item to cover and this is about safety in the parking lot. Make sure that everyone is using the proper driveways for entering and exiting the Manitowoc Yacht Club parking lot. We have noticed quite a few people using the wrong driveways. We don't want any pedestrian or vehicle accidents. Thank you, for your compliance with this issue. Let's be safe!

As always come on down and enjoy the club, there is also opportunities to host steak nights and club events, we can provide direction and work with you should you so decide.

Reminder, the bar is open from 6am to 2am. Until next month, enjoy, be safe, and stay healthy!

If you have any questions, you can contact the club or me and I will respond.
