Letter from Commodore Paula Feest

I've noticed that at times, we complain about how fast time goes by, but I've learned that when a person complains about it, I truly believe it is because they have enjoyed the time having been spent, they loved it. I guess you could say, I am one of those people that complain, for I truly have loved the time spent at the club, and getting to know all it's wonderful members that it holds. When we were young, we had plenty of firsts, first day of school, first day of summer vacation, first date, first kiss, first real job. When we were young, life was full of firsts. Time seems to pass more slowly because everything about those moments were fresh and new. If you want to make the days last, do something different. Attend more events at the club. Come to a meeting. Volunteer if you can. For some of you it might be the first time. I would welcome the opportunity to turn you into a complainer, knowing that the reason you were complaining was solely due to having a good time. Since the most precious thing any of us has is time... shouldn't that be your goal to enjoy every minute of it?

Going into June, we can look back on satisfaction. We have

had numerous events thus far that were quite successful and I would like to take the time to recognize the hard work of the members who took their time to get involved with hosting, volunteering or just attending the events. I am not a person to list names for fear of missing someone. Our club members know who they are. So thank you, for all you do. Much of our success is due to these peoples hard work. We really appreciate the time you have given and everything that you have done openly and behind the scenes to keep the club going in the right direction. You are the reason for this success.

Going into the summer months, this is a perfect time to bring guests to the club! We're very proud of our facilities, programs, amenities, events etc. Don't forget as a member, we do have responsibilities and one of those responsibilities is to be a responsible member for your guests when you bring them down to the club. I ask that we all be conscious of that rule. The most important thing is that we all have a good time, but we want to make sure that we as members can control our guests when something happens. Sometimes, you don't have control over what happens to you in life but you do have control over how you respond to what happens. It's a simple yet important reminder!!

Paula

"The most important part of our club is our members. We are blessed with a great community."

Committee News

House Committee

By: Jim Kocian, Chairman

As of June 1st we have served 3,093 dinners for an average of 141. Thanks for your participation and patience on Friday nights. Just a friendly reminder, when planning a party here at the club, please meet with me here at the club. I am here six days a week.

I want to thank our veggie crew for their work on Thursday nights. This saves the club from hiring someone to do this. Also want to recognize our garlic bread crew that also do a great service to the club. Great Job by all; you are appreciated!

I have to thank your friend and my good friend, Jan Van Eycke for helping me on Thursday Prep Day. You can also see Jan at most events selling raffle tickets or pull tabs. Thanks for all you do!

Also, please remember you are responsible for your guests behavior at any event at the club.

Thank you to those of you who give me words of encouragement and for the job I have here at the club. Sometimes this job can be quite challenging and stressful.

Mark your calendars for Prime Rib, June 22nd.

As in the past I have said, if

you have not been down to the club in a while, come on down and join us some Friday night or for an event.

If you have any needs or questions, contact me at 920-905-1650.

Sailing Club

By: James Iverson

Manitowoc Yacht Club Hosts Regatta

The Manitowoc Yacht Club will host its first sailboat race in over a decade on Saturday June 16th. Yachts representing the Manitowoc and Maritime Yacht clubs will compete for the first annual Chili Cup, a trophy that will remain at the Manitowoc Yacht Club and will have the name of the winning boat and captain inscribed on its base.

The Manitowoc Yacht Club has a long history as an active sailing club. In recent years that aspect of the club has atrophied somewhat as we have put a greater emphasis on social activities. However an influx of members who are active sailors has reignited interest in having sailing and boating activities.

The Chili Cup Sailing Rally is so named because it is one of the earliest events in the Great Lakes Sailing season, a

time of year when conditions can be decidedly chilly!

The race will start about 12:00 noon off shore of the club. The boats will sail two laps of a triangular 4 mile course. The fleet will be divided into two groups for boats with and without spinnakers. Whether you know little about sailing or are just interested in viewing beautiful boats gliding over the waves come down to the club have a drink and watch the fun.

Boats cross the line at noon. Join the thirsty crews for cocktails afterwards and award winning chili at 5:00. Five dollars at the door (there is a sign-up sheet on the bulletin board) gets you chili and a hot fudge sundae for dessert.

The Chili Cup! What hearty sailor will have his or her name immortalized on this most prestigious trophy? Find out Saturday, June 16th as the first annual pursuit of the Chili Cup kicks off the 2018 sailing season.

Committee & Calendar Events

Upcoming Events...

Fourth on the Shore, one of our biggest events of the year. Come on down and enjoy the two bands that we have playing, The Gentleman early afternoon with Shocker into the evening. Our food tent will be provided by Lakeshore Rise. They will be serving brats, hamburgers, walking tacos, popcorn etc. So come on down and support not only your club but come to support Lakeshore Rise as well. We need volunteers to help with the event. There is a posting on the board.

June 16th the sailing committee is hosting the 1st Annual Chili Run Challenge. A FUN Sailboat Race with a post-race Chili party and awards ceremony at the Manitowoc Yacht Club. Cost: \$15.00 entry fee, includes admission Chili dinner at the Manitowoc YC for skipper and crew (Non racing guest can attend by paying \$5 at the door). All information on the race is located on the board. Thank you to the sailing committee for this wonderful event. We hope to have a great turnout.

History of the Manitowoc Yacht Club

A little bit of history of the club on allowing women to become members for the first time. Even though the thought at that time, of bringing the women in, being due to discouraging discrimination, the women of the club back then pretty much felt as equals of the club. Pretty class act of the men for making them feel this way.

Help Wanted

Looking for someone to bus tables on Friday nights! High School students if you are interested please contact Jim Kocian at 920-905-1650.

Also looking to hire someone 18 years or older to run the cash register on Friday nights. If interested contact Jim Kocian at 920-905-1650.

Yacht Club ends all-male policy

By ED ARNDORFER
Staff Writer

MANITOWOC — The Manitowoc Yacht Club has voted to allow women to become members of the organization.

The vote was prompted in part by a Common Council action earlier this year which called on the Yacht Club to end its discriminatory practice against women.

Alderman Thomas Musial, who introduced the resolution, said his main concern was that the organization's clubhouse was on city-owned property and that the city discouraged discrimination based on sex.

Dave Schmidt, club commodore, said the members voted earlier this week to change the wording in the membership clause from "male to persons."

Schmidt declined to reveal the vote results but said it was adopted by a substantial margin.

The change was recommended by a special committee appointed to study the club by-laws.

"I commend the Yacht Club members and particularly the board of directors for recommending the change to the general membership," Musial said. "At no time did the city

pressure them into making a decision and I think they had the foresight to see there were some potential problems that could face the city or the club itself because of the fact they are on city property."

Musial noted the city had a multi-million dollar investment in lakefront development and that the club's male only membership clause could have possibly caused some problems with government funding and regulations.

Schmidt said the club has 233 members and a waiting list of 60 to 65. It is expected to take a woman several years to become a member after she applies.

The 233 cutoff figure was established about 5 or 6 years ago because of the club's limited facilities, according to Schmidt.

Kathy Lande, Mishicot, the club auxiliary president, said the auxiliary has always taken an active part in club affairs.

"I never considered it a big deal," Lande said in reference to the male only membership clause. "It's pretty much couples club right now. We feel we are pretty much an equal part of the club."

There are about 45 members in the auxiliary organization.

Other Information

“Get To Know Your Member” – “Meet Mark and Tina Burbey”

They have been members of the Yacht Club for about 6 years. Mark joined the club for the camaraderie, cocktails and the ability to use the club. Mark and Tina married in 2015 which made Tina a spousal member. Tina's family and friends were club members, board members and commodores years ago.

Mark owns a local CPA firm and will be celebrating 10 years of business ownership in December. After long days in the office during tax season, you may find the duo at the club for a drink or two on their way home from work. Occasionally, you will see them at club events such as Change of Watch and more recently they have been attending board meetings.

Together, they have two children, Ben, a soon-to-be junior at UW Madison, and Emma, a soon-to-be senior at Two Rivers High School. They have season Badger tickets and can be found at home games this year in their new toy, a red Mini Cooper. Mark spent most of 2014 building their log home just outside of Manitowoc where they enjoy the privacy and wildlife. Mark LOVES hunting and fishing and Tina enjoys walking, reading and time with the kids.

Our Yacht Club is pretty fortunate to have the Burbey's as our accountants. They do a wonderful job for us and they are a lot of fun!! We appreciate all that they do for us.

If you see the little red Mini Cooper at the club, yes, it's them!
