## Letter from Commodore Dick Metzger

It looks like spring has finally sprung!! You will now be able to do some work in the flower gardens.

A reminder of the brat fry and garden sale on Thursday June 4th, 11am-6pm here at the Yacht Club. Proceeds benefit Painting Pathways facility expansion. Food pre-orders are due by 4pm on Wednesday, June 3rd.

The Yacht Club opening day has not yet been set. First and foremost is the **safety** of our members and employees. We will be making some changes which are

still being discussed. We thank you for your patience!! We are working very hard to get things back to normal. Another concern for the future is if there is too much product ordered and we are faced with another shutdown. If that happens, we could have product in the freezer that will not keep.

We have noticed that

### Apprentice News

By: *Dick Nitsch—Vice Commodore*

The closing of the club has caused a pause in volunteer opportunities for apprentices. However, at this point in the calendar year, the 21 apprentices have completed the following volunteer hours:

- 14 completed some hours toward their required volunteer hours.
- 6 completed ½ or more of their required volunteer hours.

- 3 completed their required hours or more.
- 13 attended at least one membership meeting.
- 9 completed bar hours.

The Board of Directors will consider the limitations in volunteer opportunities during the course of the calendar year because of club closing due to COVID -19. The club encourages all apprentices to read the WAVES and watch for future volunteer and meeting opportunities. Club activities will be resuming in the very near future on a calculated basis based on the health and welfare of club members, club volunteers, and club employees. Please refer to the Manitowoc Yacht Club website and the WAVES

newsletter for future activities and opportunities to volunteer your services.

I ask all club members to consider friends and family that might make good Yacht Club members. We currently have approximately 25 people on the waiting list. We would like to increase the number of people that are interested in becoming a members. Please let a member of the Yacht Club Board of Directors know if you have someone that is interested in membership.

Please feel free to contact Dick Nitsch at [dnitsch1122@gmail.com](mailto:dnitsch1122@gmail.com) if you have any questions or concerns in regard to your apprentice status.

### Ladies of the Yacht Club

By: *Sandy Murray — President*

As you all know, we always have our "end of the year" dinner at the Courthouse Pub on the first Monday in May, but due to Covid 19 we were not able to. We would still like to have it, if possible, when the Courthouse Pub is open for business and can safely serve our group there.

I understand that some of you may not feel comfortable going to a public restaurant yet, and that is fine; we will just see you when we meet at our first meeting in September. But for those of you who would like to participate, we will communicate through e-mail or telephone to let you know the date. Of course if it is not possible for the Courthouse to accommodate us, we will let you know that too. If we are able to host the dinner, the Election of Officers for next year will also take place along with a short meeting. If anyone is interested in running for an office, whether it is for President, Vice President, Secretary or Treasurer, please contact me.

Hopefully you are all staying healthy and safe during these difficult times, and I hope we will be able to get together soon.

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920) 323-6073 or email us
