Letter from Commodore Randy Drumm

Well Hello M.Y.C. Members! Hopefully, we can say goodbye to the sub-zero cold and look forward to some, at least, 30 degree weather. Warmer is always better.

We again had another long board meeting in February but started earlier in order to finish on time. We have some items settled but still have more to go and others are getting close. The board has a number of items in the works at this time and I will briefly touch base on some.

We are planning a tentative opening date of April 9th, 2021 for in-house Friday Night Dining. John Glaeser, Michelle Michels, and myself had a meeting with club staff and talked about ideas for dining and the opening date. The board will continue to look at dining options in the future.

The club will be installing a credit card system soon. We are going through the normal period of approval with the bank. The bank will be ordering the equipment, checking it, setting it up in the club and providing training.

Speaking of equipment, I want to give a BIG THANK YOU to Mark & Tina Burbey. They are going to donate a computer, laptop, and printer to the

club. This is going to be a great update for the M.Y.C. Thank you very much from all members that use this equipment.

The apprentices are doing a good job of getting their bar and club training done. Some of the 2020 and half of the 2021 have completed their training. Great job folks, lets keep up the good work! There will be a list of club projects for apprentices hours posted on the bulletin board. Contact John Glaeser for information.

The board also decided at the February meeting that outside volunteer community hours cannot be used.

One item the board didn't get to was the by-laws.

Hopefully, we can get to them in the near future.

On a health note, I certainly hope all of our members are in good health and will have the opportunity to get the covid vaccine soon. We will continue to practice social distancing and limits on dining. We follow local and CDC guidelines at the club. John Glaeser continually updates these practices and protocols.

Great to see our seasoned and new apprentices coming down and enjoying the club and its atmosphere. This is a reminder to everyone, you can only bring food carry-ins on Friday nights as long as there is no Friday night dining. When, Friday night dining starts, you can no longer bring carry-ins but by all means come on down to the club and enjoy the food.

Please enjoy our club. The bar is open daily from 6am to 2am. Until next month, enjoy, be safe and stay healthy!

If you have any questions, you can contact the club or me and I will respond.

Apprentice News

By: Dick Nitsch—Vice Commodore

2020 was a very challenging year in regard to meeting apprentice expectations. It is hoped that 2021 will present a lot of opportunities for apprentices to get more connected with their Yacht Club through social events, Friday night dining, and volunteer opportunities. It is

important to do your bar training as soon as possible, so that you can use the Manitowoc Yacht Club at your convenience.

The board expects that 2020 apprentices will meet all of their requirements no later than Dec. 31, 2021. The 2020 apprentice requirements will not be carried into the 2022 calendar year.

A list of volunteer opportunities is posted on the bulletin board and attached.

Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!
