Letter from Commodore Randy Drumm

Hello and greetings to the MYC members this May! Well, we certainly are trying to dial in some warmer spring weather. Hopefully, will get there pretty soon.

We had three weeks of Friday night dining and we are happy to see members coming down to enjoy the food, friends and conversation after this last years shutdown. We are starting to expand the menu and feature different specials weekly. We will continue to try different things to spice it up, some may be bigger hits than others but bear with us as we will try to hit a good balance for the membership.

I want to thank all of our apprentices for helping with our Friday night dining by being our cashiers, kitchen, and dining room help. I also want to thank all the apprentices that volunteer and help with the Saturday club clean up after Friday night dining. Your are all greatly appreciated for what you all do. Thank you, again!!

Our first steak night for the year was a success thanks to all the members who stepped up to make it work. It was good to see some of the steak night groups that we haven't

seen in a year. Hope to see you all for May's steak night.

There has now been two maintenance items that came up at the club. First, it is not cost effective to continue repairing the walk-in cooler so a new evaporator and condenser are being installed. Second, the kitchen freezer needed a part. Fortunately, we did not loose any product because our club manager caught both issues.

The club's largest event of year, the Fourth On The Shore, is in the process of being planned and is moving along quit well. A huge thank you to Debbie Knox for stepping up to plan, organize and run the event. She has some good ideas but as always she can use all the volunteer members and

apprentices she can get. I'll be there and I hope you all can be there too. It's also a good location to watch the fireworks from either inside or outside the club. Come on down and enjoy the day!!

There are plans to make a smoking area just outside of the front entrance off the club sidewalk for our members who smoke. We will be putting down a concrete slab and anchoring a bench for the smokers convenience. This will also keep our club entrance clear and the smoke free. Hopefully, this works for all our members.

The MYC and YMCA are staying in contact about the sailing program. If someone is interested in chairing the committee, we will set up a meeting with the YMCA contact person, Julie Grossman. We will learn as we move along with the YMCA and then report back to the B.O.D.

Apprentice News

By: Dick Nitsch—Vice Commodore

A big shout out to Steve and Nan Oswald!! They are the first apprentices from the 2021 group to meet all of the apprentice requirements. Way to go Steve and Nan!! Apprentice response to volunteer opportunities has been fantastic. There will continue to be volunteer opportunities available in the near future. It is my

understanding that the Manitoowoc Yacht Club's involvement with the "4th on the Shore" is a go. That will mean that there will be a lot of volunteer opportunities. Watch for the sign-up sheets.

Just a reminder – Volunteer opportunities are not just for apprentices. Regular members continue to have an opportunity to serve the Manitoowoc Yacht Club by volunteering when there are needs. Just a reminder -- the Yacht Club membership has a

wide variety of talents. Please make your talents available when there is a need.

Enjoy Friday night dining and the rest of the benefits that the Manitoowoc Yacht Club has to offer.

Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

Ladies of the Yacht Club

By: Sandie Murray — President

The Ladies of the Yacht Club have not been able to meet and enjoy the programs that were planned for most of this last year due to the pandemic. Now that it is finally safe to get together, our annual dinner will be held at the Courthouse Pub on Tuesday, May 25. Cocktails will be served from 5:00 to 6:00, with dinner at 6:00. A short meeting will be held after dinner including the election of officers for 2021/2022. Anyone interested in running for an office, or in joining our club, please contact me at (920) 323-6073.

Hope to see you all there!

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920) 323-6073 or email us at ladiesoftheyachtclub@gmail.com.

Letter from Commodore Randy Drumm — Continuation from Page 1

I have one more piece of information to pass along to the membership. The former Social Committee has been dissolved. We want to thank them for their time and effort up to this point. We are looking for someone interested to fill the Social Committee position and be willing to work with the club personnel, and to follow club policies and guidelines. Close communications is of the utmost importance for the best interest of the club and membership. Paula Feest who ran social previously is a great wealth of information for you and for your success in this position. I thank you for your interest.

Any members or apprentices interested in hosting any events on this years calendar, we would greatly appreciate your interest and support. Members and written information is available to guide you in hosting the event of your choice. I again thank your for any interest you may have.

As always, please come on down and enjoy our club. The bar is open from 6am to 2am. Until next month, enjoy, be safe, and stay healthy!

If you have any questions, you can contact the club or me and I will respond.
