Letter from Commodore Randy Drumm

Hello again and greetings to all our MYC members for the month of November. Make sure you enjoy the fall colors that are left because our calendar is fast closing in on the end of this year.

I again want to thank one of our members of B&B Metals for making the special donation of lobster to the club for our Friday night dining. The MYC is extremely appreciative of this donation due to the large per pound cost increase that we were quoted. Until the price goes down, there would not have been any lobster on the menu. Thank you again for the generous donation to the club and for the members to enjoy.

We have a new event which is Trivia night that was proposed by Catherin Eggers. It will be held on Monday night and it will be given a 3-month trial run. The event will be run by Jerri Burkart and hosted by Catherin for the first two Mondays. For each consecutive Monday after the first 2 Mondays, a club member will have to volunteer to host the event at the club. The event will not continue if there is no host. Come on down and enjoy the event and the club.

The membership acceptance letters for the 2022 apprentices have been sent out. The 2022 club membership dues statements have been sent as well. I want to thank the 7 club members who volunteered to stuff the envelopes. Reminder, dues have to be returned by December 31st of 2021.

I made an announcement at the October Board and Members meetings that we now have a new Social Committee Chair person. Connie Barbier has volunteered for the chair position and I want to thank her for her taking on the Social Committee.

Fashion Show and it was a great success. There were 90 members and guests that participated for this event.

The MYC has accepted the donation of a 27ft Catalina Racing and Regatta Sailboat. After a discussion, questions and answer period, a motion was made by Tracy Virnoche, seconded and approved by a majority vote of the membership to accept this sailing boat donation. Winter storage was donated for this year by John Durbrow. This will be a trial run for 2 to 3 years and all records of cost expenditures will be documented and recorded. If it doesn't work out during and/or afterwards, the club always has the option of selling the boat. A committee will be formed to take on maintenance, operation, cost expenditures and storage from start to the finish of the sailing season.

Our election results for 2022 board of Directors that takes place at the October membership meeting is as

Apprentice News

By: Dick Nitsch—
Vice Commodore

The 2021 Apprentice year is close to the end. I am happy to say that 12 out of 17 of the 2021 apprentices have obtained all of the apprentice requirements. Another 3 apprentices will have met all of the requirements at

the October membership meeting.

There are 3 apprentices from the 2020 group who have a few meetings and/or volunteer hours to complete all requirements.

We are close to moving all of this year's apprentices to full 2022 membership and welcoming a new group of apprentice

members. Please feel free to contact Dick Nitsch at dnitsch1122@gmail.com if you have any questions or concerns in regard to your apprentice status.

Stay safe and healthy!!

Ladies of the Yacht Club

By: Sandy Murray—President

The Ladies of the Yacht Club met on October 4 for their monthly meeting, followed by a very interesting and informational presentation on Essential Oils. We learned a lot about the benefits from using these natural health products.

On October 13, the Ladies hosted a fundraising event featuring a dinner and fashion show at the Yacht Club. 100 % of the proceeds will be used to purchase Christmas gifts for several "families in need" referred by the Manitoowoc Public School District. The dinner was limited to 90 reservations and was sold out. The event was a huge success because of the efforts and contributions of so many, starting with our own members, (the ladies) and apprentices, who helped with setup, serving, baking desserts, table decorations, cleanup and countless other duties. We also owe a debt of gratitude to the MYC for their help and support, and for donating food and miscellaneous items, contributing to our profit margin. And a special thanks to the many businesses involved to include Culinary Chef & Caterer Diana of Roadside Cucina for preparing the food at cost, TLC Fashions for bringing the fashion show to us, and also to Pine River Dairy, Wilfert Farms and Courthouse Pub for their donations.

Our next fundraiser, for this same worthy cause will be at the Holiday Faire to be held at the Manitoowoc Fairgrounds Expo Center on November 12 & 13 where the Ladies of the Yacht Club will be selling homemade desserts.

The Coats for Kids campaign is complete and yielded 29 coats plus \$50. in cash donations. Thank you to all who participated.

The Ladies will be decorating the Yacht Club for the Christmas holidays on Monday, November 22. Anyone interested in helping is most welcome.

Our next meeting will be on Monday, November 1 at 6:45 at the Yacht Club. The program will be "Photography" presented by Lynn Rennert of Lakeshore Photographers. Be sure to bring your mobile phones, cameras and iPads because Lynn will offer a class on how to set up your equipment, to take photos in different settings, and will answer your FAQs and more. Everyone is welcome to attend, so hope to see you there!

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920) 323-6073 or email us at ladiesoftheyachtclub@gmail.com
