## Letter from Commodore Paula Feest

I am excited to say that it is finally fall, officially as of September 22, the air is getting cooler, the leaves are starting to turn. Growing up in a place where we have all four seasons, fall has always been my favorite. Fall is full of cute outfits, football games, lots of pumpkin flavored coffee, cooler weather and happy days. The excitement about the upcoming season is real. It's finally time to take out all of your college and NFL gear so you can cheer on your favorite teams! Weekends are now full of tailgates, cheering and food. Bring on the football!!! With that we will be having Packer Party get together, watch for the dates, so come on down, bring a dish to pass and help cheer on our Packers. It should be a fun time!!

The months are going by fast, and October seems to continue going that route due to many events going on at the club. Not only do we have Packer Parties, we also have steak night on October 9<sup>th</sup>, sponsored by the Club's Board of Directors. October 20<sup>th</sup> we have "Pay Your Dues Party". We will be giving away **two free memberships**,

at whatever your current membership status is at the club, that night. The party will start at 5:00 and the drawing will be at 7:00. You have to pay your dues the night of the event in order to be in the drawing and you have to be present for the drawing in order to win. We ask that everyone brings an appetizer of some sort. We will also be offering drink specials. We hope you take the time to take advantage of this great opportunity, to not only have a chance to win free dues for next year, but also have the opportunity to be with your club members and have a good time. We are excited

about this party and hope to have a great turnout. Hope to see you there.

October 23<sup>rd</sup> is our monthly board and membership meeting. We will be having elections for the board that evening during the membership meeting. We have four current board members terms expiring and we need four to replace the one's exiting. The board members leaving, can also throw their name in the hat to run again. If you are interested, there is a sign up sheet on the board.

Happy Fall, friends!

Paula

## Ladies of the Yacht Club

*By: Sandie Murray, President*

The Ladies of the Yacht Club met on September 10 and planned the monthly meeting agendas for the upcoming months. The ladies came up with a lot of new and exciting ideas for the programs, and therefore, I look forward to another good year for the club.

We will meet again on October 1, when Pine River Dairy will be present to demonstrate ways to pair a variety of their homemade cheeses with other foods and beverages. There will be learning, tasting and enjoyment involved. Feel free to invite another Yacht Club member as a guest to this event. Our club is open to all ladies of the Yacht Club, and need not join to attend.

Carol Chermak will be running the "Coats for Kids Campaign" again and asks anyone wishing to donate a coat to bring their donation to the October meeting. This invitation goes out to ALL Yacht Club members to donate a coat for the kids. There is a box located in the bar area to bring your donation. Coats will be accepted throughout the month of October.

Hope to see you at the Yacht Club on Monday, October 1 at 6:45 p.m.

## House Committee

*By: Jim Kocian, Chairman*

As of September 20th we have served 5,564 dinners this year. Another record pace! Thanks to everyone for patronizing the club.

I want to thank Scott Wagner for coming in on Thursdays to help set-up for Friday nights. Scott along with Dick Kornely and Jan Van Eycke are a great help.

I've said it numerous times I wish more members knew what happens here at the club during the week. We have the greatly appreciated "Veggie Crew". We also have a "Garlic Bread Crew" that comes in when needed. I also noticed John Burish trimming bushes and Vicki Grimstad

doing a good job on our dining room furniture. Just a few examples of members stepping up to help out.

So if some morning you are looking for something to do come on down to the club, where we can always give you a task that needs to be taken care of. I'm here six days a week, some Sundays.

I am going to be gone for two weeks to Germany, so I am sure one of our volunteers can put you to work. We would appreciate any help you can give to support the needs of the club.

Happy Fall!

If you have any needs or questions, contact me at 920-905-1650.  
*Jim*

Please help with a donation—the need is great!  
Our community needs you!  
Accepting now through the month of October! Box located in the bar area.

## History of the Manitowoc Yacht Club

**Submitted by Joanne Birringer**

The kick-off for Maritime Week on the Lakeshore, sponsored by the Downtown Merchants Association, was a parade on Saturday, August 9, 1960. Several other events took place between August 9-17. Maritime Week was meant to celebrate the heritage of the Manitowoc and Two Rivers area. Several members of the Club decided that we should enter a float in the parade. Planning began and the members who were interested on working on the project came up with the idea of a "Southern Paddle Wheel" float. Howard Hamann provided the building so we could accomplish our idea. Vern Gulseth provided us with the low-boy on which we were successfully able to put together our plan. The late John Schnoor used his talent to build the framework and little by little all the ideas were intact. The late Kurt Grainger was a Captain on an ore boat so he willingly, uniform and all, accepted the invitation to be at the "wheel." Of course we needed a truck to pull the float and this was also furnished by Vern Gulseth. There were several categories for awards. MYC was awarded first place in the "best theme float" category. Milt Birringer, Commodore and David Schmitt accepted the award.

Friday Night Dining  
Receipt Monthly  
Winner:

September winner—  
to be announced  
next month

We are looking for  
a member to  
volunteer snow  
blowing the  
sidewalks this  
year. If interested  
contact Paula  
Feest.

Like us on  
Facebook!

Stay informed:  
Attend the Monthly  
Membership Meetings!  
The 2nd to last  
Tuesday of every  
month at 7:00 pm.

## Other Information

***“Get To Know Your Member” – “A Fond Farewell to the Johnsons”***

The veggie crew we have at the club is like no other. They do an amazing job to make sure that all things are prepped for the salad bar every Friday night. This crew that we have is amazing. They all work so well together and through the years have built up an incredible friendship with one another. Unfortunately one of the couples is leaving us. We are sad to see them go. The below is a farewell message to them from the rest of the veggie crew. From that, you can sense how much they will be missed.

Dave and Sue Johnson are moving. We will be one couple less on our Veggie Crew. We are happy for you, Dave and Sue, but at the same time, sad to see you go. You are fun to be around with, a jokester and a teaser, you get the fun started. You both are easy to talk to and conversations can vary from humorous to serious. You've been doing veggies for a long time, and volunteering for the 4<sup>th</sup> of July selling beer and soda at the club. Dave you are on the board of directors for the club plus numerous other activities that you two volunteer for. Dave was always consistent at the counting and peeling of the peas. We did have one problem.... "carrot gate".

The veggie crew: Scott and Carol Wagner, Dick & Jeanne Metzger, Dave and Sue Johnson, Randy and Connie Drumm, Tom and Sue Gilmore, Jan Van Eycke, Dewane Thews, Mary Ellen Miller.

Dave & Sue- Farewell to you two and to a new life in North Dakota. You will be missed but not forgotten!!!! You are friends to all of us!!!

## Note from The Waves

The Waves needs your help with contributions in the form of letters to the editor, photos – old and new, articles on water activities, suggestions, etc. ANY input is valuable! Drop them off at the club, mail to The Waves' attention or email [mycwaves@gmail.com](mailto:mycwaves@gmail.com). We hope to make the waves more informative and interesting!
