## Letter from Commodore Paula Feest

September is upon us, however, with September it brings all sorts of new adventures our way. It is the time to get excited about the Brewers ending their season with only being 4 games from the Cubs. The Green Bay Packers starting their 2018 season taking on another Chicago rivalry, "Da Bears" in Lambeau Field. It also is a time for going back to school for our children. It's that time of the year when schools are getting ready to re-open and begin the new academic session. While all will make a fuss about going back to the school routine, it is this same school routine that gives them the much needed focus and stability we all long for.

This year, going back to school is a little different for our family, for our son, Trevor will be studying abroad in Spain this semester. Our baby boy is all grown up. We dropped him off at the airport in Chicago and made it through the tearful goodbye. He will be a Junior this year. The first couple of years of college went by in the blink of an eye. Studying abroad is an amazing opportunity for him, and we are so happy that he

had this opportunity to go. We are so excited to see him grow and learn, to see what kind of man he will be, what he will pursue, while looking back on these days with fondness and love, remembering the joy and chaos of life with a small child at the time. But look back with equal fondness on all the other moments in between—the first day of school, conversations at dinner, our son as an adult standing on his own two feet, we are proud of him and of the life our family built together.

So for many of you who had

your first experience with your children, whether it be their first day in kindergarten, freshman in high school, or first day of college. Cherish every minute of it along with the emotions that come with it. One cherished moment at a time, the years go by so fast.

Although summer is not over. We've got weeks left until September 22, the last official day of the season. Everyone, please, stop the rush to fall. Enjoy what we have left of the nice weather before we go into the long winter months.

## Ladies of the Yacht Club

*By: Sandie Murray, President*

Every year as I write this month's article, I know that summer must be coming to an end. We haven't met since our banquet in May so it's time we got back to our monthly routine. As always, because Labor Day falls on the first Monday in September, we will meet on the second Monday, September 10 at 6:45 p.m. at the Yacht Club. Please think about what you would like to see us do at our monthly meetings and come with your suggestions. It is our goal to schedule all of our programs for the upcoming year at this first meeting.

It will be good to get together and to see all of you again. I look forward to another great year with the Ladies of the Yacht Club!

## House Committee

*By: Jim Kocian, Chairman*

Hope all of you had a great summer. It is hard to believe that school has started and leaves are turning color.

I want to thank the Veggie Crew for always doing a great job on Thursdays prepping for our Friday night dining. You are really appreciated for all you do. I would also like to thank all those that assist me in my absence when I am out of town. We have wonderful members that step up and help whenever they can.

My wife, Judy and I have decided it is time to step down from chairing the **Swedish Pancake Breakfast**. We have been involved with it for over 11 years. It is a wonderful and successful event for the club and we hope that a member or members will volunteer to keep this long time success running. We would like to

thank all who have assisted us over the years from prepping and set-up on Saturday to working the day on Sunday. We have been truly blessed with all the wonderful help and friendships created in doing this. To all of you who have helped and attended "Thank You"!

If anyone is thinking about taking over the breakfast and have questions please contact me and I would be happy to tell you what it involves. It is a fun rewarding time spent. The breakfast is always held the second Sunday in February.

**SNOW BLOWING**—If anyone is interested in doing snow blowing this winter we are looking for someone to take care of the sidewalks. Please contact Paula or me for more information.

If you have any needs or questions, contact me at 920-905-1650.

## Sailing Committee

*By: James Iverson*

Intrepid yachtsmen and yachtswomen from the Manitowoc Yacht Club flew the Club burgee in Canadian waters this summer as three sailing boats made the arduous journey to the legendary North Channel of Lake Huron. Mike and Tera Huck with their sons Max and Edison sailed Stylus. Mark and Cheryl Mahowald sailed Strider and Jill and James Iverson sailed Joshua. A memorable adventure was had by all.

# Calendar & Upcoming Events

**Thank you to Dave Holschbach**, for once again, running the NFL Prediction Pool for the Club. On behalf of the "Yacht Club amateur NFL prediction pool participants", your generosity to continue to take this on is much appreciated. We enjoy the competition and heckling to each other that comes along with it.

**Thank you to Jim and Judy Kocian** for being the lead on the Pancake Breakfast all these years. Jim and Judy have decided to step down as the organizers and let someone else take this event on. This event could not have been a success without your help and the help of many others who volunteered their time. Your generosity and hard work is commendable beyond words. You two certainly have put in numerous hours throughout the years and yes, it is time to have others step up to give you a break. If anyone is interested, please reach out to Jim or Judy.

*If you notice an incorrect date or time listed on the "Printed Calendar" please compare against the "Website Calendar" which is always up-to-date with any changes in the schedule.*

## Other Information

***“Get To Know Your Member” – “Meet Ron & Dolly Stokes”***

I would like to introduce you to Mary Ellen Robinson Miller. Mary Ellen is an apprentice this year, sponsored by Debbie Knox. As an apprentice, she is already on the go getting quite a bit of hours in at the club. She volunteers in helping the “veggie crew” on Thursday afternoon, prepping all the vegetables and fixings that go on the salad bar for Friday night dining. Mary Ellen thinks the veggie crew are the nicest people you ever want to meet. They have welcomed her with open arms. The Club has been so much fun for her, meeting new people, and re-connecting with old friends who are already members. The drinks are good, as well as, the food.

This has been another new experience for Mary Ellen and she is so happy to have joined. If you get a chance to see Mary Ellen down at the club, take the time to introduce yourself. She is full of life and energy. You can always find her with a smile on her face. We are the happy one’s for gaining such a fine member to our club.
