Letter from Commodore Dick Nitsch

I hope that all of the Yacht Club members have (or had) a great Memorial Day weekend. Believe it or not, our next big holiday is the 4th of July and with that our biggest event of the year, the 4th on the Shore. Please plan to volunteer some of your 4th of July time to help with the event.

My name was on a wait list for 3 years before I had an opportunity to become a member of the Manitowoc Yacht Club. Since that time our wait list has diminished to 20 to 25 proposed members a year. Our current wait list consists of only about a dozen names. Please give some thought to some friends or relatives that you think might make a good Yacht Club member. Member proposal forms are available to the right of the bulletin board. All member proposals need to be presented to the Yacht Club Board at one of their regularly scheduled meetings (2nd to last Tuesday of the month).

A committee put in place to review and revise the Yacht Club policies has completed

its work. The content of most of the club policies has stayed essentially the same, but some wording has changed to make the policies more current. I will have the revised policies sent to you via email messaging and they will be recorded in the next edition of the Yacht Club Handbook (January).

The Yacht Club's annual meeting will occur in October on the regularly scheduled meeting night. At that time, there will be elections for board positions that will be expiring effective December 31st. There are 4 board of director terms that will expire at the end of the

calendar year. I will be posting a sign-up sheet on the bulletin board for any club member that might be interested in running for a position on the board. The election is held with the general membership and I am hoping that we have a lot of candidates in our election pool. Please think about bringing your leadership skills to the Manitowoc Yacht Club Board of Directors. The Board will also be looking to fill the Rear Commodore position for the 2023 calendar year. Please let me, Mike Haucke, or Fred Schmooch know if you would be interested in the Rear Commodore position.

Please feel free to contact me at 920-242-2299 or at dnitsch1122@gmail.com if you have any questions or concerns. I would also enjoy hearing about the positive experiences that you have had while using your Manitowoc Yacht Club.

Apprentice News

By: Mike Haucke—
Vice Commodore

I want to start by congratulating the Apprentices that have completed all of their requirements for full membership. They are Bob Zur, Bryan & Nancy Boprey, and John Bock. (Keep in mind that full membership officially takes place on January 1, 2023)

I also want to thank Past Commodore Randy Drumm for his generosity, flexibility, and dedication to helping our

Apprentices complete their bar training. Thirty-five of our thirty-six Apprentices have completed bar training.

We had a fantastic Mother's Day Brunch put together by Steph Redner. Many Apprentice volunteer hours were earned putting on this Manitowoc Yacht Club tradition. Thank you for bringing it back, Steph.

There are still many volunteer slots available for our major Fourth on the Shore party, where we celebrate July 4 and welcome the public. Please go to ttsu.me/fourthontheshore to

volunteer.

If you have any problem using the online process for any volunteer opportunity, don't hesitate to contact Mike Haucke at mjhaucke@gmail.com or 206-818-7701.

If you need volunteers for your Club event or have any questions about the Apprentice Program or creating online volunteer sign-up sheets, you can reach me at mjhaucke@gmail.com or 206-818-7701.

Have a great June, and continue to think warm.

Friday dining numbers are down! In order to control food waste, the number of specials available will be reduced until we see a increase in Friday diners.

We are updating our Credit Card processing equipment to make taking credit cards easier. **The Credit Card company is now imposing a 3.50% surcharge for each credit card purchase which is not greater than the clubs cost of acceptance. Tips are not included in the surcharge.**

Like other businesses we are also experiencing staffing issues. Please be patient. Bring your concerns, if any, to the House Chair or any Board members.

Thank you!

MANITOWOC YACHT CLUB
Notice of Challenge
THIRD ANNUAL CHILI RUN CHALLENGE
Saturday, July 9, 2022

A fun race will take place at **1PM, Saturday, July 9, 2022**. This challenge is intended to encourage adventure, sailing skills, and friendly competition in the tradition of sailing off of Manitowoc. While also a race, the primary focus of this challenge is accomplishing the goal of completing the course smoothly, while enjoying the camaraderie of sailors.

We will have two Jib and Main divisions, to break the fleet into groups of similar sized boats. Information on the course and other details will be supplied at the skippers meeting at 11am Sat. July 9th outside of the Manitowoc Marina boaters' lounge.

Course: ~ 8 miles, around marks set off of the Manitowoc shoreline. The course will consist of two laps around a rough triangle with marks set to provide one upwind leg if practical, and a couple of reaching legs. By making the course twice around, the course can easily be shortened if the Race Committee decides there is not enough wind to sail twice around. This will also keep the course relatively close to shore, and by going twice around, the fleet should stay closer together.

The safety of each yacht and her crew is the sole and inescapable responsibility of the owner and skipper, who must ensure that the yacht is fully found, thoroughly seaworthy, and the crew fit for the challenge.

Awards: There will be a traveling Trophy awarded to the Overall corrected time winner of the Challenge. Flags will be awarded to the top three finishers on corrected time in each section.

After Challenge party: There will be a Chili themed dinner provided at the Manitowoc Yacht Club the evening of the Challenge starting at 5PM. There will be a cash bar. All participants and crew are invited to dine for no additional cost. Other interested non-participant parties are welcome to dine for a \$10 fee, collectable at the door.

A final scratch sheet and section break will be provided at the skippers meeting. Ratings will follow LMPHRF Jib and Main ratings where possible. Decisions on ratings are made by the racing chair and not subject to appeal.

Other Notes: The goal is a fun race, and although the racing rules will be followed, we do not encourage protests and there will be no formal protest hearing procedures. If there is an egregious foul committed or clear violation of the rules, the racing chair can disqualify the offending boat. This decision would be final and not subject to appeal.

Recommended Equipment and Use: For equipping the yacht, we recommend skippers should use as a guide the US Sailing "Recommendations for Offshore Sailing" for category-three races. We will not be inspecting boats and full compliance with the US Sailing recommendations is at the discretion of the skipper. The following requirements must be observed however:

1. Each yacht must carry liability insurance.
2. Each yacht must meet all Coast Guard safety requirements.
3. Each yacht must carry a VHF marine radio telephone with at least channels 6, 16, 22, 69 and WX.
Channel 69 will be used for Race Committee communication.
4. Life jackets are recommended to be worn at all times. It is required that a PFD be worn at all times during severe weather conditions.

Entry Procedure: please bring your completed entry form, and the \$20 entry fee to the skippers' meeting.

IMPORTANT NOTE: In order to have a well-organized event, please notify Ned Jerabek, Sailing Committee Chair Friday July 8th if you are planning to enter the Chili Cup.

All questions should be directed to: Ned Jerabek, 505-231-1464, nedjerabek@yahoo.com

Mothers' Day Brunch 2022

Committee Chair: Steph Redner

The final numbers are in and we are proud to report that we were able to offer an extensive selection of food, desserts and champagne to over 150 guests for our return of the Mothers Day Brunch.

We offered three seating times, by reservation only. The first seating was 10am, then 11:30 and 1:00pm. All attending felt they had space and time to truly enjoy family time, leaving the mess to us!

- The Mom's received a free carnation (courtesy of Dan at SCHNIEDER AND SCHNEIDER CONSTRUCTION)
- Champagne was free pouring (courtesy of Connie from SMOKEY BARBIER HEATING)
- Desserts were amazing and all donated (courtesy of Vickie at CENTURY 21 ASPIRE Real Estate)
- The children had coloring pages...
- Families took pictures together in the Mothers Day picture frame
- Moms were given lavender sachets (from Cindee Schulz's garden)

But most of all, Moms were center stage, as they deserve to be.

All that attended were greeted to white tablecloths, blue and yellow napkins, blue, white and yellow China centerpieces, flowers and the backdrop of our beautiful shoreline. Our club is such a remarkable space and with the efforts of Sherry Kornely, Colleen Petska, Jeannie Bauer and Ellen Peronto, the transformation was amazing. I assure you there was no finer Brunch served in our city.

Our men did step up to make this happen!! Dick Kornely, Dick Nitsch, and John Glaeser were vital behind the scenes, along with so many others that stepped-up day of. Thank you all!

Special mention does need to go to our very own Sommelier Kenny Bauer, our French-Toast Master Bob Peronto, and the team of "OMELETTE CHEFS EXTRAORDINAIRE".... Bill Schlei and Don Davis.

I truly could not have been happier to head this committee. It has been a dream of mine for the last few years to bring this event to our club. However, to create new events requires commitment of volunteers. Working with this very impressive, willing and delightful group of volunteers has been my pleasure. This is what Club Membership is about!

Thank you ALL!
