Letter from Commodore Mike Haucke

We welcomed 19 new Apprentice memberships in January, and we are in the process of inviting seven more applicants to become Apprentices this year. Our dues collection was recently completed, and we lost 26 memberships. We had a total of 424 memberships in 2022, and we'll have 424 memberships in 2023.

I attended the Social Committee's planning meeting and am very impressed with how many events we have planned for 2023. I know you can't participate in every event, but I hope you take advantage of as many as possible.

We have a constant need for volunteers to keep us going and to keep our event charges as minimal as possible. Some things coming up soon that need volunteers are Steak night on 2/13, Hamburger & Chili night on 2/8, and Swedish Pancake Breakfast on 2/19. Please check the bulletin board and pick one of the open volunteer slots. We'll even make it a little easier to volunteer with electronic Sign-up; please watch for announcements for electronic sign-ups coming to your email inbox.

We have some regularly scheduled events, including steak night, held on the second Tuesday of each month, and Hamburger and Chili on Wednesdays in the summer. These popular events need hosts. What does it mean to be a host? We recently changed the terminology from Sponsor to Host. Many members thought that being a Sponsor meant a financial obligation. There is no financial obligation when you sign up to be a Host. These are Club events, and the Club covers all costs. The Host is responsible for seeing that the event happens and has the volunteers to put on the occasion. The host coordinates with the House Committee to see that the required food is in inventory. And, of course, the host is on hand for the event

to coordinate the volunteers and different tasks involved. If you would like to Host an event but have never done it, there is always someone who has been a Host to help guide you through. Please consider being a Host and check the bulletin board to sign up. You can always contact me for more information, and remember that our Vice Commodore can help you with Apprentice volunteers. By the way, Apprentices Caryn and Hartley Arsta have already volunteered to Host the first Hamburger and Chili night. Check the bulletin board to see how you can help them.

Fourth on the Shore is a big Manitowoc event, one of our few functions open to the public. We are looking for a Host or a Co-Host. We have lots of material on hosting this event, and several things have already been completed in anticipation of finding a host. The bands have already been booked. Call me or see Connie Barbier for more information. This event happens in July, but it's not too early to start.

Cont. From Commodore Mike

In 2021 a smoking area was established on the west side of the Club, 10 feet away from the front entrance awning. There is a bench marking the smoking area. That is our only smoking area; no smoking is allowed anywhere else on the property. We've slipped into an atmosphere of

non-compliance and not enforcing that smoking area. I'm asking our smokers to please police yourselves, utilize that smoking area, and stay away from any doors.

If you are dining with us and your meal is not up to our high standard, be assured that we didn't give it to you that way on purpose. Please don't just walk

away unhappy. Let us know. Tell the Director on Duty about your displeasure, and your complaint will get to the correct person.

Come on down and enjoy your club for drink or two, Friday night dining, steak night and all the other club events.

If you have any questions, you can contact the club or me and I will respond.
