## Letter from Commodore Mike Haucke

I am writing this on 2/25, and it looks like we will not have Hamburger and Chili night in March as no one stepped up to be the host. That's a shame because we had such a great Hamburger and Chili night in February. Our April Hamburger and Chili night will again be hosted by Apprentices, who have tagged it "Garbage" Hamburger and Chili night and have asked that the profits help fund the new \$4,200 commercial kitchen garbage disposal that we need. I'm positive their tag has nothing to do with the delicious hamburgers, cheeseburgers, and chili they will serve. There's a rumor that the Chili King, who prepares chili for The Fat Seagull, will make the chili for that April event. You better come down and check it out. We need hosts for the remainder of the 2023 Hamburger and Chili nights. Please consider hosting an upcoming Steak Night or Hamburger and Chili Night.

I have commissioned a By-Law review committee comprising board members and members at large. Besides several grammatical changes, I have asked for specific areas of focus. The By-Law review committee will work for a few months and potentially develop recommendations for

the Board of Directors to consider. Once the Board completes its review, it will present any changes to the membership for approval. The membership approval of any changes to the By-Laws has to take place at our October annual meeting, and I'm hoping for all that to happen in 2023.

Here are the items I have asked the By-Law review to consider:

- 1) Should there be a provision for the Board of Directors to approve a suspension of any By-Law provision if the situation warrants?
- 2) Should we add a provision to make yacht owners with a permanent slip in Manitoowoc County eligible for MYC membership even if

they are not County residents?

- 3) Should we limit the number of new membership proposals each member can submit?
- 4) Should we clarify if a member can participate (as opposed to attending as an observer) in a board meeting and what has to happen to allow participation?
- 5) Should we add the Grievance/Complaint Referral and Review Process to the By-Laws?
- 6) Should we state the number of memberships allowed at MYC in the By-Laws?
- 7) Should we state in the By-Laws that Life Memberships are not counted in the active memberships count?

If you have thoughts on these ideas, please come to the membership meetings and provide feedback. The next membership meeting is on Tuesday, March 28<sup>th</sup>, at 7 pm. To review the current By-Laws, download a copy of the Membership Handbook attached to the Friday Dining emails.

### Cont. From Commodore Mike

The Inter-Club party is on April 1 at the Green Bay Yachting Club. There is a signup on the bulletin board. The sooner you sign up, the better we know how many are going. If we have 30 bus riders, we can get a bus. I have asked Sheboygan Yacht Club if they want to share a bus, but I am still waiting for an answer. I'll let you know via email blast if we have our own bus, will share a bus, or if you're on your own. This is a prepay event. If you prepay by check, please use two

checks, one for the party and the other for the bus. If we don't get a bus, we'll return your check.

We have two upcoming Forst Inn Art Collective excursions coming up. A bus will be going to "A Wrinkle in Time" on March 18, and another to GODSPELL on April 15. Watch for the flyers and the signups. These are prepay events.

Remember that we have a Board member in attendance for Friday dining. If you are dining with us and your meal is not up to our high standard, be assured that

we didn't give it to you that way on purpose. Don't just walk away unhappy, please let the board member know about your displeasure, and your complaint will get to the correct person. On the other hand, if you are happy with your meal, please consider poking your head into the kitchen and let Chef Cassie know.

Come on down and enjoy your club for drink or two, Friday night dining, steak night and all the other club events.

If you have any questions, you can contact the club or me and I will respond.

### Saturday, March 18th

"A WRINKLE IN TIME" One of literature's most enduring young heroines, Meg Murry, is back--braces, stubbornness and all. Once again, she's joining forces with Mrs. Whatsit, Charles Wallace, Calvin O'Keefe and more to battle the forces of evil so she can rescue her father, save humanity and find herself. In the end, we know two things for sure: 1. Love CAN overcome evil and 2. There IS such a thing as a tesseract.

"Godspell" was the first major musical theatre offering from three-time Grammy and Academy Award winner, Stephen Schwartz (**Wicked, Pippin, Children of Eden**), and it took the world by storm. Led by the international hit, "Day by Day," **Godspell** features a parade of beloved songs, including "Prepare Ye the Way of the Lord," "Learn Your Lessons Well," "All for the Best," "All Good Gifts," "Turn Back, O Man" and "By My Side."
