## Letter from Commodore Mike Haucke

Thank you to all who helped execute the Corn Roast. It was a big success with many more people attending than we expected. Again, the Social Committee put together an excellent event. Connie Barbier, Greg Krahenbuhl, and the rest of their hard-working, dedicated committee went above and beyond to provide a great time for all.

Thank you to all who came to our inaugural "bar food night." The turnout and the food were fantastic. We couldn't keep up with the rush of members, but it wasn't because of a lack of effort by our amazing staff. Many thanks to member Colleen Petska and board members Donald Davis and Steve McMahon for jumping in when they saw the rush of customers backing up the service.

We will be updating our

Membership directory after the first of the year. Every member is asked to send us their correct address, phone number(s), email address, and spouse/significant other names OR confirm that we have the accurate information in the current directory. Please send all updates, confirmations, questions, or comments to [LadiesOfTheYachtClub@gmail.com](mailto:LadiesOfTheYachtClub@gmail.com).

We had some severe damage from the Aug 3 high winds. A large branch

was blown into the front door canopy, the walls around our trash/recycle area were blown over, and several soffit panels were blown away. One tree was knocked over, and another had one of its three trunks broken off and tossed onto the rocks. A big thank you to Apprentice Miles Iverson, member Scott Wagner, and Past Commodore Randy Drumm, who cleaned up the trees and saved the Club a ton of money.

Friday night dining participation continues to be a roller coaster, so please bear with us as we try to have enough to accommodate the unpredictable highs and lows. On Friday night, August 18, I worked the dining cash register

## Cont. From Commodore Mike

because we couldn't get a cashier to come in. The fry cook got sick and went home, and one of the bussers advised us she wasn't coming in. I anticipated the disaster of long waits and a lot of complaints. Nope – our chef Cassie's husband came

in last minute to fry-cook, and our faithful busser Hadley pulled off the busser duties all by herself. Our wait staff, Nikki and Alex accommodated a rush of hungry customers, including several large tables of six or more - with little or no waiting. I think we got one complaint and many compliments. Chef Cassie's salmon was

delicious. Thank you to the Friday dining crew. There are always challenges for a restaurant open only one night a week.

Happy Labor Day – Stay safe!

If you have any questions, you can contact the club or me and I will respond.

## Apprentice News

*By: Fred Schmoock—  
Vice Commodore*

The Manitowoc Yacht Club has Apprentice Requirements that all Apprentice's must meet before becoming Full Members. The requirements are 18 Volunteer hours for Full membership, Bar training and attend four Membership

meetings.

It is do or die time for apprentices attending membership meetings. There are only 3 meetings remaining this year, September 19, October 24 and November 21. Volunteer hours will be available until the end of the year. I see no problem for

95% of the apprentices meeting the requirements. The remaining 5% said they are unfortunately too busy with work and are unable to commit time to the Yacht Club.

Any questions feel free to call or text at 920-323-2920 or [814sttr@gmail.com](mailto:814sttr@gmail.com).

## Ladies of the Yacht Club

*By: Sandie Murray –President*

Hopefully everyone had a wonderful summer because here it is, September already and time for us to get together again. We last met in May for our annual dinner when the Election of Officers was held. The incumbents were all re-elected for another year.

The Ladies of the Yacht Club do not meet in June, July or August so the 2023/2024 year begins with the September meeting. Our meetings are held on the first Monday of the month except in September because of Labor Day. We normally meet on the following Monday but this year we will meet on Tuesday evening, the day after Labor Day instead. It is a very important meeting because our programs for the monthly meetings are discussed and decided on for the upcoming year. Please plan to be at our first meeting on TUESDAY, September 5 at 6:45 at the Yacht Club and bring your ideas for what you'd like to experience at the following meetings.

I hope to see you all there!

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920)323-6073 or email us at [ladiesoftheyachtclub@gmail.com](mailto:ladiesoftheyachtclub@gmail.com)
