## Letter from Commodore Mike Haucke

I came to the Club on Tuesday morning, June 27, and was discouraged by a patio full of cigarette butts. Not only is the patio a non-smoking area, but the disrespect shown to our club was disheartening. This is the second time I found several cigarette butts on the patio this month. We have a designated smoking area with ashtrays, but another member who saw the litter commented, "I'm going to petition the Board of Directors to make the whole property a non-smoking facility."

We had a fantastic Steak Night in June, but our Tuesday, July 11<sup>th</sup> Steak Night is close to being canceled for lack of a Host. If you want to host the July 11 event, let me know soon. We have very easy-to-follow instructions for putting on a steak night. It's easy and fun.

The July 18 membership meeting will include a vote on Bylaw changes. I have sent out the rewritten Bylaws as an attachment to the June 30 dining blast and will send another email blast pointing out the changes. To entice you to come to the July 18 meeting, we'll have free Sloppy Joes after the meeting and \$1 off all drinks from 6:30pm to 9pm.

The Board of Directors has instituted an MYC Code of Conduct. Please become

familiar with it. There is a copy on the bulletin board, and I have and will continue to attach a copy to random email blasts.

We are only a few months away from electing four Board Members. I will have a sign up sheet posted on the bulletin board. Please consider running for the Board of Directors. The election will be held at our October Membership meeting.

Volunteering for yacht club functions is a great way to contribute to the club's success. By volunteering, members can show their commitment and appreciation to the club and their willingness to help us keep annual dues

as low as possible. If we have to start paying people to help with functions, you can only imagine the effect on our operating costs. In addition, our faithful volunteers can get burned out and eventually quit volunteering if they don't see others joining in. The

more volunteers we have, the more we can spread the efforts to keep our club healthy. Volunteering can help members develop new friendships, connections, and collaborations with other members. Moreover, volunteering can make the club functions more fun and rewarding. Volunteering for yacht

club functions is vital for our club and our members.

I hope to see you at one or several of our upcoming summer events. Cheers! Mike.

If you have any questions, you can contact the club or me and I will respond.

## Apprentice News

*By: Fred Schmooch—  
Vice Commodore*

Four apprentices have only attended none or 1 meetings to date. I have been reaching out to the apprentices and there sponsors to remind the apprentices of all their requirements. At the last membership meeting there

were 13 apprentices in attendances.

Forth on the Shore is only days away and volunteers are needed. For all apprentices in need of volunteer hours, this is a great opportunity to gain volunteer hours.

I put up a signup sheet for Wednesday's and

Thursday's in July for bar training starting at 6:00 pm.

Any questions or concerns you can contact me, Fred Schmooch by phone or text at 920-323-2920 or email at [814sttr@gmail.com](mailto:814sttr@gmail.com).

Be safe and healthy enjoy July 4<sup>th</sup> and the rest of the summer.

# Reminder:

When you leave the self-service bar or tables in the Club, clean up after yourself.

Place used glasses in the bar glass washer. If you bring any food, snack items, throw-away plates, and utensils, ensure the trash or anything left over goes home with you or into the dumpster behind the club.

Do not put your trash or leftovers in the bar or dining room trash bins.

## New Member Applications

There was no new memberships proposed in June
