## Letter from Commodore Mike Haucke

We had a very successful Annual Meeting in October. We had lots of participation and a successful Board of Directors election. I would like to welcome Mike Herrmann, Al Peroutka, and Ron Smith to the Board, and Bob Zur will continue on the Board after serving a one-year term. And a very big "thank you" for your service to those leaving the Board, John Glaeser, Dick Nitsch, and Christine Norstrom. The new board members will start their terms on January 1, 2024.

I had a couple of noteworthy encounters at the Annual Meeting. In two unrelated conversations about some tasks that need to be done around the Club, both of the members I spoke with used the terminology, "Have your people do it." They were surprised when I responded, "We don't have any people." I'm writing about this because I believe many, if not most, of our members don't think about the fact that we don't have a staff here. Sure, we have a paid bar manager and bartenders. We have a paid one-day-a-week dining room staff. That's it! We have a deeply dedicated volunteer "House Committee" that is here several hours every day, five days a week, that make sure the dining staff has

all the necessary food and supplies for Friday night and other special club events. The house committee has a couple of volunteers who help store supplies once a week. We have a small core of dedicated volunteers who handle repair jobs that come up around the Club. We have a dedicated crew of volunteers who come in every Thursday to make sure we have one of the best salad bars around. In truth, "our people" are John Glaeser and whoever is the current Commodore. John is here seven days a week, handling the hundreds of tasks that keep this club running. Member support, minor maintenance tasks, change the light bulbs, call the refrigerator service to fix the coolers, fix the water hose on the coffee machine before it

November & December

Calendar

floods the place. And then constantly - Hey John, how do we do this? Hey John, where is this? Hey John, get me this. You'd have to be here daily to understand what gets done to keep us going. I can't tell you how often I've heard people say, "John is there; he'll do it." **John is "our people."**

Our new cash registers are programmed and waiting to be put into service. We've been using one for Friday dining, and we're getting close to putting a new one behind the bar for you. There is a little bit of a learning curve, but everyone who has tested it has picked it up after the first run-through. There will be instructions posted. Until we move on to the bar, there is one set up at the cashier's station with instructions for you to practice.

The Ladies of the Yacht Club hosted a wonderful fundraiser brunch in October. The two seatings were maxed out, and all the wares, whether made by Chef Cassie or donated from establishments around the city,

**Reminder:**

*The club alarm system activates daily at 2am-6am. If the system detects motion within the club the police will be notified.*

**Reminder**

Caution when entering and leaving the parking lot. Courtesy to all pedestrians!

Also, please use the correct designated entrance and exit when arriving & leaving the club.

## Committee News

### **Cont. From Commodore Mike**

were fantastic. Congratulations Ladies!

The Change of Watch is on Saturday, December 9. The menu includes a choice of pesto salmon or bacon-wrapped pork

tenderloin, rice or potato, and asparagus. Dinner music by Ray Bieberitz and dancing into the night by the Moonlighters.

Steak nights in December and January are in danger of being canceled for lack of a host. Being a host is not hard, especially with

the written instructions, help from the House Committee with the food, and help from the volunteer committee to get workers.

If you have any questions, you can contact the club or me and I will respond.

### **Apprentice News**

By: Fred Schmoock—  
Vice Commodore

With two months left in 2023 I'm glad to say 13 of the 2023 apprentices have completed all of their requirements. The rest

with a little effort can reach the necessary requirements. There will be two apprentices that will not cross the finish line because of their work and personal problems. For the apprentices that need volunteer hours there are still many opportunities.

The 2023 apprentices made my job easy. At the beginning of the year, they jumped in to help with events and took the lead with other events. Thanks to all.

Any questions or concerns feel free to call or text me or email [814sttr@gmail.com](mailto:814sttr@gmail.com)

### **Ladies of the Yacht Club**

By: Sandie Murray—President

The Ladies of the Yacht Club met on October 2 for their monthly meeting where they enjoyed a program called "Enhancing Your Health & Well-Being", presented by Natural Market.

The Ladies are busy with their annual fall fundraisers to raise money for local families in need during the holidays provided by the Manitowoc Public School District. The "Cribbage or Bingo for a Cause" event was held at Sabbatical Brewing Co. on October 15. Twenty-six participants enjoyed an afternoon of fun and comradery. The "Brunch Buffet & Tasting" was held at the Yacht Club on Sunday, October 22 and was well attended by 120 people. Breakfast and lunch items were served along with a huge variety of desserts provided by the Ladies of the Yacht Club. Cool City Brewing Co. of Two Rivers also offered a tasting of their own craft beers and coffee to be enjoyed by all. Thank you to everyone who participated in these events to support this great and worthy cause!

100% of the proceeds from all fundraisers will be used to purchase Christmas gifts for the families in need.

The Ladies will join together at the Yacht Club on Monday, November 20 at 4:00 to decorate the Club for Christmas. Many new decorations were purchased by the Ladies of the Yacht Club to make it even more beautiful this year. Anyone who would like to help is welcome and would be most appreciated.

Thank you to everyone who donated coats, caps and mittens to our Coats for Kids Campaign. The effort was coordinated by Carol Chermak and was a great success.

The next meeting of the Ladies of the Yacht Club will be on Monday, November 6 at 6:30 p.m. where the topic will be "Drug Court". Member Ann Larson along with a local Judge will be presenting. Please join us for an interesting and enlightening evening!

If any member of the Yacht Club would like to learn more about our group and/or attend an event, please feel free to contact me at (920)323-6073 or email us at [ladiesoftheyachtclub@gmail.com](mailto:ladiesoftheyachtclub@gmail.com)
